CITY COUNCIL MEETING CANCELLED: The Chesterfield powers to be cancelled the City Council meeting for May 2. But they met, just not at 7pm when more residents could attend. The city leaders refused to stream a video of the Strategic Planning Conference held at 8:30am for 4-hours or make a recording available on the city’s website.

Currently they plan to hold another Planning Conference this upcoming Monday, but that may change. (see below)

CHESTERFIELD CITY ADMINISTRATOR MIKE GEISEL ANNOUNCES HE HAS COVID: On Tuesday May 2 the Chesterfield City Administrator Mike Geisel sent out an email to staff and elected officials that he has tested positive for COVID.

On Monday Geisel attended the 4-hour long 8:30-to-12:30 Strategic Planning Meeting held with staff and the city council.

They held a special 4-hour Strategic Planning seminar with no voting on any issues. The meeting was from 8:30 to 12:30 with plenty of bathroom breaks (6 members are over 70). After the meeting City Administrator Mike Geisel tested positive for COVID. Mike Geisel had just returned from vacation.

Mike Geisel

Geisel coming down with COVID is a good example that the COVID pandemic is NOT OVER yet and Chesterfield should make things safer for residents by live streaming council meetings and making recordings available on the city's website. Safety should come before egos of politicians not wanting to be recorded saying something stupid.

A number of police officers had to deal with and recover from COVID in 2020 and 2021.
