**Driving While Intoxicated**  
**Arrest**

On December 4, 2022 around 6:30 p.m., the Creve Coeur Police Department received two separate reports of a suspicious vehicle believed to be operated by an impaired driver. While checking the area an officer located the vehicle eastbound on Ladue Road at I-270. After following the white sedan a short distance on northbound I-270 and noticing the driver was failing to maintain a single lane, the Creve Coeur police officer effected a traffic stop. During the stop, the officer discovered several clues to indicate the driver was impaired. Based on the results of a field sobriety test, the officer's personal observations along with the two independent reports called in to police, the driver was arrested for Driving While Intoxicated.

The driver, who was identified as 48-year-old Daniel McLaughlin of Town and Country, MO was transported to the Creve Coeur Police Department for booking and processing.

On Monday, December 5, 2022 in-custody warrant application was made at the St. Louis County Prosecuting Attorney's Office and charges were issued for Persistent Offender of Driving While Intoxicated. McLaughlin was transferred to the St. Louis County Justice Center where he is being held on \$25,000 cash only bond.

There were no injuries or property damage reported.

**McLaughlin is the television voice of St. Louis Cardinal baseball games.**

**Here is a summary of McLaughlin's two earlier DWI arrests:**

**Serial Drunk Driver:** Dan McLaughlin, residing in Ward 1 off of Ballas Road. (He moved in 2016 to Muirfield Lane off of N Mason Rd) McLaughlin refused to take a breath test in August of 2010 after Chesterfield Police responded to calls from motorists on Highway 40 about McLaughlin's SUV weaving. The police report indicates that it appeared that McLaughlin urinated in his pants, was falling down drunk, asked to be let go since he was only a few blocks from home (several miles actually), and offered the officer a bribe. In September of 2011 McLaughlin had multiple accidents on Baxter Road. He was so drunk that he could not figure out how to open his door, could not dial a phone, was falling down drunk and again refused to take a breath test.

Here is the link to the police report of his 2011 arrest.

Here is a link to a Patch.com article I wrote on the arrests

<https://patch.com/missouri/chesterfield/mclaughlin-s-probation-is-not-revoked-for-first-dwi-a275022302b>

McLaughlin lived on Ballas Court in Town and Country in a million dollar house and moved up to a \$2,000,000 house on Muirfield Lane off N. Mason in 2016.

You have to wonder how long advertisers (McLaughlin is doing a lot of voice over work) and his employers and the Cardinals are going to worry about McLaughlin killing someone in a drunk driving crash. It seems like Ricky Horton could easily replace him.

That Daniel McLaughlin , in violation of Section 577.010, committed the class E felony of driving while intoxicated, punishable upon conviction under Sections 558.002, 558.011 and 577.010 RSMo, in that on or about December 4, 2022, in the County of St. Louis, State of Missouri, on Interstate 270 near Olive Blvd., the defendant operated a motor vehicle while under the influence of alcohol. Defendant is a persistent offender and is required to serve thirty days' imprisonment before being eligible for probation or parole in that:

1. On or about November 10, 2011, defendant was found guilty of driving while intoxicated for events occurring on September 25, 2011, in the Chesterfield Municipal Division of the 21st Judicial Circuit Court of the State of Missouri, and
2. On or about November 10, 2010, defendant was found guilty of driving while intoxicated for events occurring on August 16, 2010, in the Chesterfield Municipal Division of the 21st Judicial Circuit Court of the State of Missouri.

577.010-028Y20205499.0

**COUNT: 02 FAILED TO DRIVE WITHIN SINGLE LANE ON ROADWAY HAVING 3 OR MORE LANES**

That Daniel McLaughlin , in violation of Section 304.015 RSMo, committed the class C misdemeanor of failure to drive within a single lane, punishable upon conviction under Sections 304.015, 558.011 and 558.002, RSMo, in that on or about December 4, 2022 in the County of St. Louis, State of Missouri, on Interstate 270 near Olive Blvd., the defendant while operating a motor vehicle on Interstate 270, a highway divided into three or more lanes, failed to drive within a single lane on such roadway.

I, Daniel Tapella, DSN 1127, Creve Coeur Police Department, knowing that false statements on this form are punishable by law, state that the facts contained herein are true and documented in report number 22-2360. I have probable cause to believe that on December 4, 2022, at Interstate 270 near Olive Blvd., Daniel McLaughlin, White, Male, DOB 03/18/1974, 5'11", 175lbs, committed one or more criminal offense(s).

Count: 01      DWI – PERSISTENT – CLASS E FELONY

Count: 02      FAILED TO DRIVE WITHIN SINGLE LANE ON ROADWAY  
                         HAVING 3 OR MORE LANES – CLASS C MISDEMEANOR

The facts supporting this belief are as follows: Officers received a call about a white BMW sedan driving in an "S" pattern on Ladue Road, and at times driving into oncoming traffic. Shortly thereafter, Officers received another call about a suspicious vehicle identified as white BMW sedan parked in a driveway at 142 Laduemont Drive. The homeowner stated that the male driver was not making sense and believed he was intoxicated. Officer observed the white BMW sedan entering northbound Interstate 270 from eastbound Ladue Road. Officer observed the vehicle fail to maintain a single lane and conducted a traffic stop. Upon contact with the driver, Defendant, Officer observed clues of intoxication, including an odor of intoxicants about Defendant's person, slurred speech, and glassy eyes. Officer also observed that Defendant had difficulties maintaining his balance and would sway and stumble. Defendant performed poorly on standardized field sobriety tests. Defendant was arrested.

I believe that Defendant poses a danger to the community or to any other person because driving while intoxicated (DWI) poses a risk to other motorists and pedestrians, and Defendant has two convictions for DWI.

Daniel Tapella, DSN 1127, Creve Coeur Police Department

**IT IS NOT JUST THE SCHOOL DISTRICTS THAT ARE UPSET WITH THE CHESTERFIELD TIF. OPENING REMARKS BY TWO ATTORNEYS INDICATED MORE PROBLEMS.** Two lawyers, John Gazzoli and Diane Mispagel, representing Dillard's Department Stores spoke at the comment section of the beginning of Monday's meeting. Their topic was the TIF.

Dillard's closed due to being flooded by a burst water pipe in 2016.

They were suppose to reopen in 2017 but that never happened.

The following points were raised:

Dillard's owns the west building and 17 acres of parking.

No one with the TIF contacted Dillard's.

The Dillard's' portion of the site is not blighted.

Dillard's does not believe this development and TIF is within Missouri Law.

Dillard's was blindsided in this. Dillard's planned to reopen their store in the original location.

Dillard's did not get proper notice of the TIF meeting.

They (developer...The Staenberg Group) knew 100% that Dillard's was going to redevelop their property without a TIF.

Dillard's wants to be left out of this TIF.

Stix Baer and Fuller, eh I mean Dillard's is down to two stores in St. Louis. Their top store at the Galleria on Clayton Road and Brentwood Blvd. and a store at the South County Mall. They could use a West County store.

**MARY MONACHELLA BEAT ME TO IT.** While I was looking at the agenda I noticed that the Eatwell Grocery store owned Schnucks had applied for both a package liquor license and a 7-day-a-week liquor by the drink license for the new Chesterfield Valley store.. Schnucks is promoting Eatwell as a health food store, leading me to be ready to write "exactly how healthy is booze?"

Mary asked if a health food store should be selling liquor. She then voted for the licenses with everyone else.

**NEW LOCATION FOR DONATED ART:** In July of 2021 the below piece of art was scheduled to be placed on the Riparian Trail and August Hill. However due to site problems the donated KILO sculpture is planned to be placed at Lake Two in Central Park.

**ANOTHER ART DONATION** This one is from Pat Cantanzaro. Not a lot is known on this one including who the artist is. It is apparently headed to Central Park.

Art piece information:

Artist unknown

Title of piece unknown

Height-8.7 feet tall

Base-30 inches square, 8 inches high

Width-36 inches at widest part

Circle- 16 inches diameter

**END OF MEETING SURPRISE:** We are breaking a rule by bringing up religion in the newsletter but in this case it was Councilman Aaron Wahl, a Jew up brought it up. "I'd like to readjust our holiday parties and like to have on the agenda of our special meeting on December 14. Wahl was seconded by Gary Budor, who is a Hindu from India to hold a discussion on the topic/issue.

Aaron Wahl

Gary Budor

Councilwoman Barb McGuinness then made an amendment motion to send the issue for the discussion back to the Parks Committee. There was a 4-4 vote with acting mayor Mary Monachella voting to send it back to the Parks Committee. In a tie vote the mayor breaks the tie. This means Monachella gets to vote twice. Her vote didn't change and the "discussion" was sent back to the Parks Committee, that does not have any meetings scheduled.
