## A LETTER FOR WILD CRUSH FROM TWO TOWN SQUARE BUSINESSES

### Wild Crush Pergola

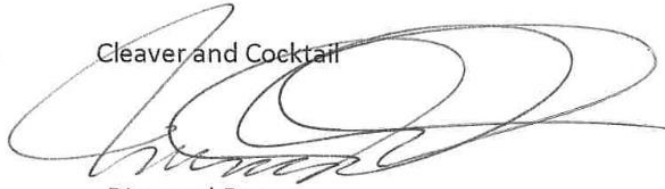

I am signing this letter as a sign of my support for the new pergola to be built on the back patio directly behind Wild Crush Wine Bar(n). This project has the support of Bob Brinkmann as put together by the owners of Wild Crush: Jay Delsing and Karen Paslawski.

The pictures of the plans have been shown to our fellow tenants to give them a better idea of what to expect the pergola to look like. All questions were answered to the best of our ability.

Subject: Wild Crush and Live Music

Bob,

Writing you today in support of Live Music at Wild Crush. My wife and I are an acoustic duo called Midlife and we are also Town and Country residents. We live in Williamsburg Estates and the development at Blacksmith Grove has been a breath of fresh air to our community. We now have a few more dining choices, shopping options and more areas to walk ourselves and our dog. We have played music several times at Wild Crush and it has always been low key and well received.

We have also attended some of the large music events sponsored by T&C and they have been wonderful.

Keep live music live in Town and Country...it makes people smile and gather as a group.

Thank you,

Paul and Kristie Hurst

**A LETTER SIMILAR TO THE EARLIER ONES.** This one is on the City's website complaint log from Many Hans on Kings Glen Drive. (Mary doesn't paragraph)

Please describe your concern below.

I am writing to voice my concern about Wild Crush. Their request to add a permanent pavilion is not so much the issue. It's their plan for outdoor music. As everyone knows the area that their restaurant is located backs up to a neighborhood. This is my neighborhood where I live with my family. Late night music on multiple nights a week is not appropriate for this area. A summer concert once monthly is fun. And even for Wild Crush to have music outside on occasion would not be a concern. But the music should end at a reasonable hour. for instance music from 6 to 9pm. It is a disturbance to here music from Town Square in out homes at night on a routine basis. And we have brand new windows so insulation is not the problem. We bought this home with the idea of a quiet neighborhood. Loud music from a bar up the hill is not part of this idea.

**DILLARDS SUES CHESTRFIELD TO STOP TIFS.** The Dillard’s department store on 17 acres of property owned by Dillard’s on the Chesterfield Mall plans to be rehabbed and reopened. The store has been closed since 2016 after a water main rupture. However, without Dillard’s permission the property and building have been voted into a 240 acre TIF project, that Dillard’s does not want to participate in.

The two corporations with land in the TIFs to be redeveloped are Wildhorse Village and TSG Downtown Chesterfield Redevelopment. To obtain a TIF the property has to be clearly blighted. That is not the case here and Dillard’s is quick to point that out in their lawsuit.

**BIG BAND FANS NEXT CONCERT ALL Travel songs**, rather appropriate for Route 66 going from Chicago to LA.

Happy New Year to our Route 66 Jazz Orchestra Fans,

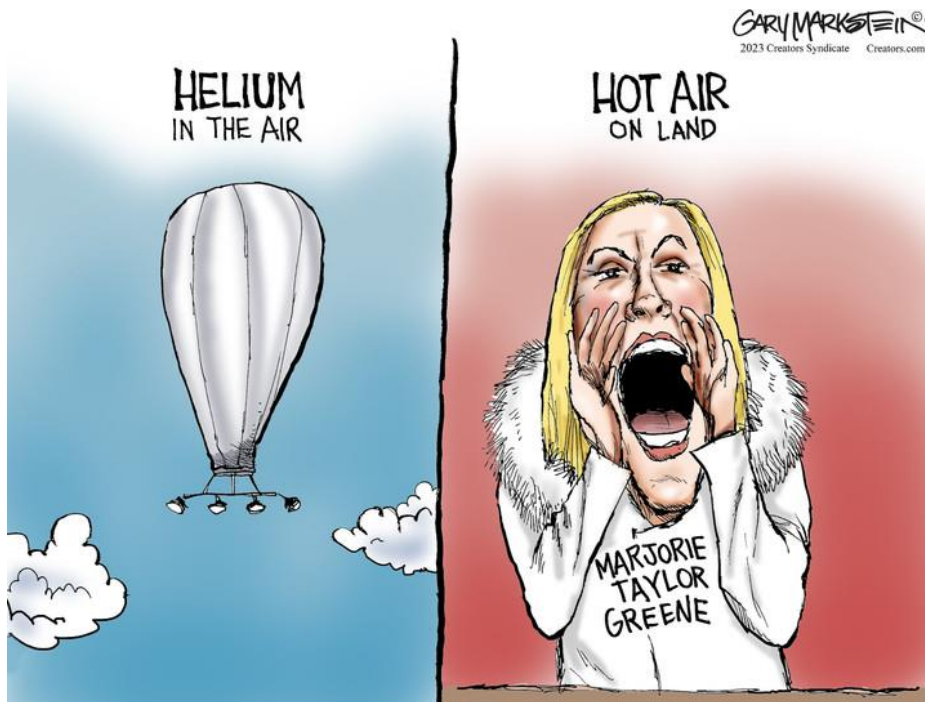

We are pleased to announce that the first Route 66 Jazz Orchestra Concert of the 2023 season will be presented on Friday, February 24, 2023, at 7:30 PM at the First Unity Church, 4753 Butler Hill Road, St. Louis, MO 63128. There is plenty of free parking available in a large, well lit parking lot at the church. General admission tickets will be available for \$15.00 cash or credit (cash preferred) at the door on the evening of the program. Tickets for Children under 12 are \$10... (Please note that tickets are general admission only and that there is no reserved seating for this concert.)

We have titled this program “**On The Road Again**” and we will be featuring the talents of our eighteen great instrumentalists, and our two fine vocalists, Ron Wilkinson, and Valerie Tichacek. All of the tunes are “travel tunes” that will take us all over the world from San Francisco to Paris.

We are looking forward to opening our concert season in First Unity Church and we hope you will be able to share the evening with us. As always, thank you for your interest in and continued support for big band jazz and The Route 66 Jazz Orchestra
