Unbelievable Treatment at the County Prosecutor's Office! First thing Monday morning felony warrants were applied for at the County Prosecutors' office. Despite fleeing police and putting the public in jeopardy, despite ramming a police car putting the officer's life in jeopardy, despite fighting police officers putting their safety in jeopardy and despite one of them in possession of felony drug, the prosecutor's staff refused to issue charges and told the police officer to file in Municipal Court.

TOWN AND COUNTRY ARRESTS FOR 30-DAYS: In this period of March and part of April the T&C police after several months of dealing with many felony arrests were back to more DWI cases.
