TOWN AND COUNTRY BOARD OF ALDERMEN MEETING

The meeting was over in 18 minutes before they went into secret session. Mayor Rehm requested to go into Closed Session but he and the alderpersons violated Missouri law in doing so. Mayor Rehm listed all the reasons you can have a closed meeting and it was voted on. The LAW requires you to vote on only a specific reason such as legal, contracts, personnel matters. The public has a right to know the general reason for a secret meeting.

Closed Meetings and Records — 610.021, 610.022 A public governmental body is permitted, but not required, to close its meetings, records and votes when they relate to certain topics listed in the statute. The list of topics that can be closed includes:

- Legal actions, causes of action or litigation (except that votes, minutes and settlement agreements must be opened to the public on final disposition, unless ordered closed by a court);
- Leasing, purchase or sale of real estate where public knowledge might adversely affect the amount paid in the transaction;
- Hiring, firing, disciplining or promoting a particular employee;
- Welfare cases of identifiable individuals;
- Software codes for electronic data processing;
- Individually identifiable personnel records;
- Records related to existing or proposed security systems;
- Records that are protected from disclosure by other laws. When a public governmental body votes to meet in closed session, members must cite in open session a specific statute allowing the closure.

Only the topic cited for closing the meeting can be discussed during the closed session. The public governmental body must close only that portion of the facility necessary for its members to conduct the closed meeting, allowing space for the public to remain and attend any later open session.

City Administrator Bob Shelton stated during the meeting about citizens complaining about another year of American Water storing pipes and equipment at the empty commercial lot at Clayton and Ballas Road, where a bank and Donut shop tried to locate several years ago but were voted down by Alderpersons. .

Mr. Shelton said the city allowed American Water to use the lot with permission of the owner as American Water was replacing pipes on Ballas and then Clayton. He said he felt it would keep the roads safer. However there is no longer work in Town and Country and the pipes are being used on Old Warson Road in LADUE, two cities to the east.

THIS SATURDAY:

Be aware there will be plenty of people there trying to sell you stuff. It is sponsored by the T&C and Frontenac Chamber of Commerces

ONE OF OUR FAVORITE SINGERS IS OFF THE STAGE: We just learned that one of our favorite singers Valerie Tichacek, 62, is battling two different cancers. Valerie is a singer with the Route 66 Jazz Orchestra, but also appears with jazz trios. 10-years ago she was also playing the accordion with a group called Wack-a-Do. We can only hope she will be back with a mic in her hand by Christmas.
