Charles Thompson, an 8 ½ -year veteran of the Chesterfield Police Department has been charged with Felony Assault resulting in injuries from an off-duty bar fight at T.J. Wings in Valley Park that occurred on December 11. He resigned a few days after his arrest on December 11, 2021 by the County Police. When he was arrested he threatened to return and set fire to T.J. Wings. We reported this in our newsletter 535 on June 11, 2022.

On March 9, 2023 Thompson pled guilty to a reduced charge from Felony Assault to Misdemeanor Assault. He was sentenced to 9-months in jail, but the jail term was stayed with a Suspended Execution of Sentence (SES) and a 1-year probation term. However, the crime and guilty plea will remain on a public record.

CHARGES

Count: 01 ASSAULT - 3RD DEGREE

I, Adrienne Swan, DSN 4786, St. Louis County Police Department, knowing that false statements on this form are punishable by law, state that the facts contained herein are true and documented in report number 21-48291. I have probable cause to believe that on December 11, 2021, at 550 Vance Rd, Charles Thompson, White, Male, DOB 04/07/1989, 6'05", 220lbs, committed one or more criminal offense(s).

Count: 01 ASSAULT - 3RD DEGREE

The facts supporting this belief are as follows: On 12/11/2021, I responded to 550 Vance Road (TJ Wings) in the City of Valley Park for a report of an assault. The call stated a customer had punched another customer, that he was currently at the bar, was wearing a plaid shirt, and had broken items at the bar. When another officer and I arrived, we saw a white male at the bar wearing a blue plaid shirt. He was the only person seated at the bar. I spoke to the bartender, who pointed to the man at the bar. Another officer approached the man, who we later identified as Charles Thompson

I approached another man, who had a cold compress on his eye, later identified as Jeff Wussler DOB 05/05/1982. Jeff told me that he was seated at the bar and was having a pleasant conversation with Charles Thompson. He stated that out of nowhere, Charles became enraged, stood up, and hit him causing him to fall to the ground. He said the bartender was able to pull Charles off him. I saw that Jeff's right eye was swollen, and saw a cut about 1 inch in length under his eye, which was bleeding. I also saw a lump on the right side of his head about 1 inch in diameter. I interviewed another employee of the establishment, who saw the incident. She said Charles had entered the establishment at about 12:30 a.m.

He had first got into a verbal altercation with an elderly patron, which caused that customer to leave. Then, she saw Charles approach and sit next to Jeff. She saw Charles become angry and hit Jeff in the right eye and jump on Jeff, which caused him to fall to the ground.

Further, that employee stated that Charles had identified himself as a police officer to multiple people at the bar, and had handed the bartender his business card. Diana described Charles' demeanor as "cocky" and said he was trying to intimidate people with his job. When I asked Charles what police agency he worked for, Charles aggressively told me to come over to him if he wanted to speak to him (Charles was seated in somewhat close proximity to where I was standing). I later obtained the card Charles had given the bartender, which reflected Charles worked for the Chesterfield Police Department.

Charles was advised he was under arrest for assault, and he was placed in handcuffs. When I was escorting Charles to my marked St. Louis County Police vehicle, Charles spontaneously stated he was going to set TJ Wings on fire.

While Charles was sitting in my vehicle, another officer approached me and stated Jeff had determined he did not want to press charges. I spoke to Jeff, and he stated he did not want to ruin Charles' career as a police officer, and was hesitant to cooperate. Charles could be heard from my vehicle saying he would "fuck him up" meaning Jeff. Charles continued his threats, and when I told him Jeff was completing a prosecution refusal form, Charles replied he did not care if he got fired.

Later, as part of my investigation, I viewed footage of the incident from a camera located at TJ Wings. That footage reflected that Charles sat down next to Jeff and they engaged in conversation. About 17 minutes later, Charles aggressively stood up and stood close to Jeff. Jeff stood up in a non-aggressive manner, and moments later, Charles struck Jeff in the right eye with his right elbow. The assault caused Jeff to fall back, then Charles jumped on top of Jeff, causing Jeff's body to slam into multiple chairs and hit the ground. The assault lasted approximately 1 minute and 15 seconds, before the bartender was able to pull Charles off Jeff.

On 12/14/2021, I made contact with Jeff, after Jeff had sent an email to the West County precinct advising he wanted to pursue prosecution. Jeff confirmed to me he did want to press charges against Charles. Additionally, he advised me that he had the following additional injuries: a lump on the back of his neck, a bruised tail bone and multiple scratches to his tail bone area, and pain in his right leg.

THE CHESTERFIELD POLICE OFFICER BATHROOM MOVIE PRODUCER NOW IN PRISON: I was a police supervisor and commander as part of a 30-year police career. I also wrote over 150 magazine articles for national police magazines. I travelled across the U.S. and even went to Europe and Asia to write articles on policing.

I have to say that the 100 officer Chesterfield Police Department is very professional and officers produce excellent police reports and thorough investigations in connection with arrests. The case of Charles Thompson could happen anywhere with off-duty alcohol consumption.

However there is one case involving a Chesterfield Police Officer like nothing I have seen anywhere. It came to light in 2014.

That is the case of David Cerna, who hid cameras in male public restrooms including one used by officers like the Mobil on the Run gas station on Clarkson Road and obtained videos of penises while people were urinating.

Someone tipped KTVI reporter Chris Hayes who alerted the Chesterfield Police. A 56-page investigation report resulted in Cerna being charged with

Felony Invasion of Privacy
Misdemeanor Invasion of Privacy
Felony Sexual Exploitation of a Minor
Felony Invasion of Privacy of multiple persons

Here is a link to the Chesterfield Police on the case. A summary is on the homepage of our website.

https://johnhoffmann.net/cerna_police_report.pdf

Cerna was sentenced to 60-days in jail on a St. Charles County case where he was recording persons using a glory hole in his front door at this house as he performed oral sex.

He also served one year for Invasion of Privacy in a Chesterfield case. But the far more serious charges in St. Louis County resulted in lengthy probation terms, but no jail time. He was arrested a couple times for Probation Violation for failing to provide current addresses.

Now he is in prison.

On 01/07/22 he was arrested and charged with Felony Failure to Register as a Sex Offender. On 08/11/22 he was sentenced to three years in prison.

CITY COUNCIL MEETING

CITY COMMENDATIONS FOR THE ROB KILO FAMILY REF THE BUTTERFLY GROVE NEXT TO THE YMCA June 20, 2023

The meeting opened with Mayor Nation awarding a commendation to Rob Kilo and his family for the work done to create the Monarch Butterfly Grove next to the Chesterfield YMCA.

Kilo also helped finance the project including an original sculpture and park benches.

After the award to the Kilos things went downhill fast.

REMARKS FROM THE PUBLIC: Patricia Toco election loser strikes again and again and again. The right-wing lady who lost decidedly in the April City Election to incumbent Aaron Wahl was at the mic again.

Toco has spoken before every city council meeting since her loss and clearly over that time has talked more than any member of the council, often with incorrect information.

After the Kilo family left the chambers there were not many people there. Toco decided to read an article from the Missouri Times and then added her well known opinion in opposition to Tax Increment Funding. Why she did not just make a copy of the article and hand it out to the council is beyond me. At the end of speaking Mayor Bob Nation opened his mic and said some of her facts were wrong (again).

Toco

The sad thing is that it appears she is setting a campaign foundation for the April 2024 local election. The seat she would be running for is held by Mary Ann Mastorakos, the very sharp and popular 80-year-old plus from Ward 2.

Mary Ann Mastorakos

ONE AGENDA ITEM THAT SLOWED DOWN A FAST MOVING MEETING. It was the issuance of a Liquor by the Drink license. Liquor Licenses are usually always approved after review by the Planning Department and the Police Department with a quick vote by the Council. That didn't happen at this meeting.

The 164-year-old house at 14319 Olive Blvd currently has some retail sales and wine by the glass. There had been opposition to this from nearby residential property owners.

Mayor Nation called for a motion to approve a full liquor license and a second. He got the motion and then silence. The silence continued when City Attorney Chris Graville lectured that the City has to issue a liquor license to qualified businesses or face being sued.

Councilwoman Mary Monachella reluctantly made a second. The vote was taken and was 6-yes and 1-NO with Ward 1 Councilwoman Barb McGuinness voting NO.

LOGAN PARK AND PICKLE BALL COURTS OFFICALLY OPENS

The land for a city park on Schoettler Road next to the campus of Logan Chiropractic University was donated by Logan. The grand opening was on Tuesday June 20. The park contains two long sought pickle ball courts.

COUNCIL VOTES TO SELL OF PROPERTY TO LEVEE DISTRICT: The council approved the sale of 37.4 acres of property in Chesterfield Valley to the Levee District. None of the online documents have the sale price. You might think the public has a right to know this. I have been told by a source it was \$2.6 million.

COUNCIL GOES INTO SECRET SESSION: After the 40-minute long regular meeting Mayor Bob Nation requested a vote to go into Close (secret) Session. He did not give the reasons for the session in words, but quoted Missouri Law section 1 & 2 for the secret meeting. You have to look up the law to learn it was for Legal and Real Estate reasons. Why Nation just doesn't plainly tell the public about reasons and used a code it beyond me.
