

EX ALDERMAN NEWSLETTER 599 AND CHESTERFIELD UNAPPROVED 544**September 23, 2023**

WAS IT WORTH \$443,000? Was the new Drace Park playground worth the \$443,000 spent? In reality the Town and Country only paid about \$23,000 while the Municipal Grant awarded covered \$420,000 for the new playground at Drace Park. You also paid for part of the \$420,000 as the grants are funded by a County sales tax, meaning you paid for it along with everyone else in the County.

Playground before **Before**

AFTER \$443,000

One of the biggest play areas was not included in the \$443,000 budget...see below

Now there was one expense that was needed, which was replacing the worn out playground surface to cut down on injuries. That came in at \$110,000 on the original budget plans.

PROJECT BUDGET

Project Cost Opinion

Site Development / Amenities	\$58,175.00*	
Playground Equipment	\$218,750.00*	(\$196,500 equip. & install / \$19,650 - 10% contingency)
Playground Surfacing	\$110,000.00*	
Landscape	\$10,250.00*	(50%/50% match between Grant and City)
MSD Placeholder	\$9,500.00*	
Professional Services Fees	\$36,750.00	
Anticipated Project Total Cost: \$443,425.00 *10% contingency & 15% contractor costs included		

Jay Wohlsch

If you notice the single highest cost not involving equipment was 8.3% of the overall budget for “professional fees.”

I have to think the original playground equipment which is now all gone, seemed like it would provide more fun for kids. The wall around the west side of the playground giving parents places to sit along with the benches on the west side of the playground have vanished.

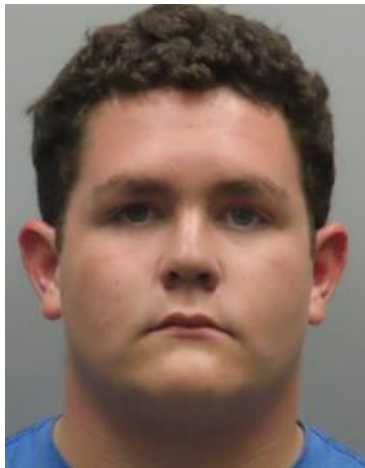

NO WORK YET ON THE BURNED DOWN DRACE PARK PAVILLION : The pavilion at Drace Park that was burned to the ground in a fire caused by three teenagers from out of town setting off fireworks late on July 4th that the police ignored, shows no signs of being rebuilt two months after the fire.

ABSENT FROM THE SPEAKERS DIAS: For the first meeting in five months Patricia Tocco, who lost in the Ward-2 Council race, was not present and spending three minutes before each meeting addressing the Council. The right-wing Tocco had a tendency to babel often spewing incorrect information.

COMMUNITY CENTER TO REMAIN AT THE ALMOST VACANT CHESTERFIELD MALL UNTIL AUGUST OF 2023. Currently the City has a community center at the blighted and expected to be torn down in the Fall of 2024. Here is a memo about the new rent free lease that will run for eight months in 2024.

Memorandum

To: Mike Geisel, City Administrator
Jeannette Kelly, Director of Finance

From: TW Dieckmann, Director of Parks, Recreation & Arts

Date: 8-31-23

Subject: recommendation to extend Community Center lease

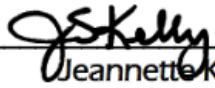

The City has been leasing space in the Chesterfield Mall for a Community Center since January 2022. It is a 20,000 square feet space used for community recreation. It is open weekdays from 8 – 3:30. This includes programs for all ages but especially seniors, educational presentations, health screenings, walk-in play space for toddlers, and the occasional rental.

Our current lease expires 12/31/23. It is attached. The Staenberg Group is offering an extension from 1/1/24 through 8/31/24. It is also attached. I recommend accepting their offer, and extending our lease for the Community Center.

Action Recommended

Please forward this to City Council for consideration. Should Council agree with staff's recommendation, please authorize the City Administrator to sign the lease extension for the Community Center.

CARDINAL FANS, HOW MUCH WOULD YOU HAVE LOST THIS YEAR?

“ Missouri sports teams fight to legalize betting”

There's the headline. If you were a KC Chief fan las year you would have made some money, If you are a betting Cardinal fan this year you would have lost a lot of money.

I'm not sure why the Cardinals need money with fans betting, when they are selling advertising on their jerseys. If gambling on all baseball is approved across the U.S> maybe 82-year-old Pete Rose could go into the Hall of Fame.

BIG BAND AND JAZZ FANS THIS IS COMING UP

The Route 66 Jazz Orchestra will be in concert on Friday, October 6, 2023, at First Unity Church, 4753 Butler Hill Road, St. Louis, MO 63128. Tickets will be available for \$15.00 cash or credit (cash preferred) at the door on the evening of the program. The concert will begin at 7:30 PM and the band will perform two sets. There is plenty of free parking available in the Church parking lot.

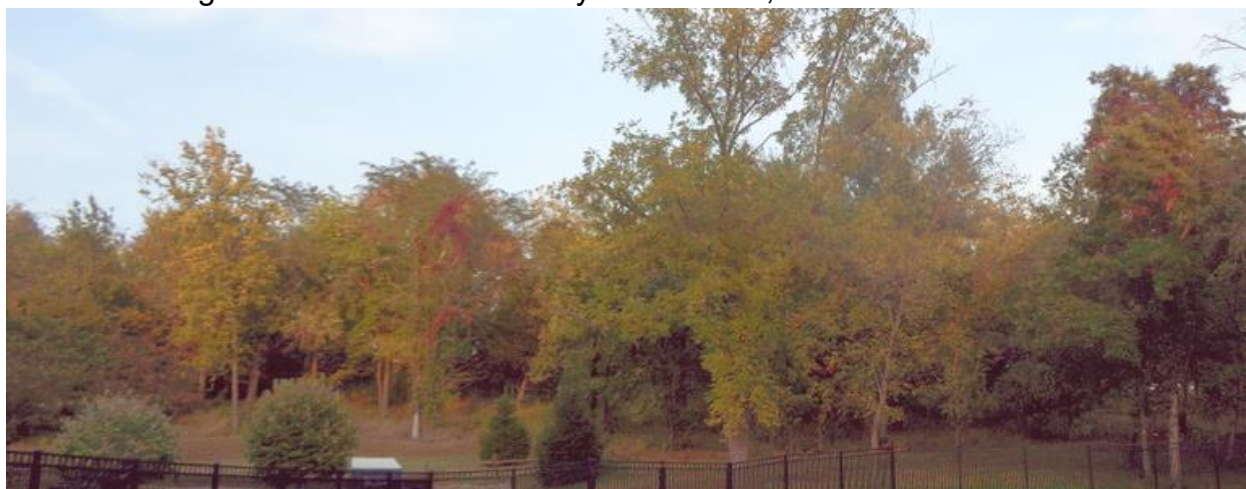

We are excited to welcome guitarist Rick Haydon as our guest soloist for this concert. Rick has studied and performed with some of the masters of jazz guitar including Johnny Smith, Pat Martino and both John and Bucky Pizzarelli. His most recent recording titled Rick Haydon and John Pizzarelli “Just Friends” reached 19 on the Jazz Week Top 100 Charts. In addition, we will be performing tunes both new and old, featuring our eighteen-piece ensemble as well as the talent of vocalist Mr. Ron Wilkinson.

We are looking forward to returning after our summer break and we hope you will be able to share the evening with us. As always, thank you for your interest in and support for big band jazz.
