UNAPPROVED CHESTERFIELD NEWSLETTER 546

CHESTERFIELD DETECTIVES ARREST MAN STALKING A JUVENILE TO A HOCKEY GAME PRETENDING TO BE JUVENILE'S FATHER This is a very scary crime. It involves a 53-year-old man from Imperial, MO stalking and dreaming about sex with a 17-year-old juvenile. He was arrested in Chesterfield. Here is the court document with much more of the facts.

23 4047	Beginning: 09/23/2023, 2130 Ending: 09/23/2023, 2130	18XXX CHESTERFIELD AIRPORT RD		CHESTERFIELD ICE AND SPORTS COMPLEX	5	4	Stalking
Arrested: Faulkenberry, Chris W 52 M							
Brief Narrative Description: Subject impersonated juvenile victim's father in order to obtain his hockey schedule and arrived at the victim's game.							

I, Kevin Restivo, DSN 0338, Chesterfield Police Department, knowing that false statements on this form are punishable by law, state that the facts contained herein are true and documented in report number 23-4047. I have probable cause to believe that on September 23, 2023, within St. Louis County, Chris Faulkenberry, White, Male, 5'08", 211lbs, committed one or more criminal offense(s). |

Count: 01 STALKING - 1ST DEGREE - 1ST OFFENSE - CLASS E FELONY

The facts supporting this belief are as follows: Victim is a seventeen year old male. Defendant is fifty-two years old. Defendant would routinely go to the victim's place of employment and speak with the victim. This made the victim uncomfortable. Defendant kept asking the victim for his high school hockey schedule to watch him play. Victim refused to give this information. Defendant went to victim's place of employment on a date when the victim was not working and impersonated being victim's father in order to obtain his hockey schedule from a fellow employee. Defendant subsequently went to the victim's hockey game to watch him. All of these actions by the Defendant caused the victim to be frightened and emotionally distressed. The defendant was interviewed by police and admitted that he would go to the victim's employment regularly and speak to the victim.

He further admitted that he would sexually fantasize about the victim and would masturbate thinking about him. Defendant indicated to police he was glad he got caught before it escalated.

Due to the nature of the offense, I believe the Defendant poses a danger to the victim and the community at large. A warrant is requested.

Kevin Restivo, DSN 0338, Chesterfield Police Department

Mayor Bob Nation was in Poland and Councilwoman Mary Ann Mastorakos ran a very efficient meeting that was over in 26 minutes.

More New Cars Coming to Chesterfield Valley. A change of property zoning for 8.8 acres for just what Chesterfield Valley needs, another car dealership. This was a first read and should be passed at the next meeting.

This is from a memo from Planning Director Justin Wyse:

Summary

Cronin Valley Real Estate, LLC, has submitted a request to amend a “PI” Planned Industrial District governed under Ordinance 1540 to allow for the outdoor sale of automobiles. The existing ordinance encompasses 18.54 acres of land; however, the proposed use amendment is only being requested for 8.83 acres of the development – or the land north of Long Road Crossing.

The petition was reviewed by the Planning & Public Works Committee on September 21st, 2023. At that time, the Committee made a motion to recommend approval with one amendment. This amendment was as follows: “Areas for outdoor sales, storage, and display must be shown and approved on the Site Development Section Plan and shall be screened from I-64. Screening shall include, but not be limited to, landscaping.” This has been included as a green sheet amendment. The motion passed by a vote of 4-0.

CHANGES FOR CHICK-FIL-A: The Council voted 8-0 in a voice vote to approve changes at the Chick-Fil-A fast food chicken outlet in Chesterfield Valley. This will include a two lane drive thru, more parking spaces and new landscaping.

It has been reported that heavy traffic conditions causing cars to back up on the service road at peak times for business brought about the changes. Of course this could also mean more revenue for Chick-Fil-A.
