### TOWN AND COUNTRY 18-YEAR-OLD CHARGED WITH SHOOTING MURDER IN MAPLEWOOD

The Major Case Squad was investigation a murder in Maplewood Thursday afternoon October 24, 2023. On Monday warrants were issued for Justin Christopher Vance, 18, of 2004 Grecian Way Ct. in the Laural Lakes subdivision.

Vance is alleged to have shot 32-year-old Terron Vales, after the victim refused to give Vance and three others \$400. The charging document then alleges that Vance fled the scene in the 2200 block of Yale in Maplewood and hid the murder weapon in a nearby garage.

COUNT: 01 MURDER 2ND DEGREE

That Justin Vance, in violation of Section 565.021, RSMo, committed the class A felony of murder in the second degree, punishable upon conviction under Section 558.011, RSMo, in that on or about on or about October 26, 2023, in the County of St. Louis, State of Missouri, the defendant knowingly or with the purpose of causing serious physical injury to Terron Vales caused the death of Terron Vales by shooting him.

COUNT: 02 ARMED CRIMINAL ACTION

That Justin Vance, in violation of Section 571.015, RSMo, committed the felony of armed criminal action, punishable upon conviction under Section 571.015.1, RSMo, in that on or about October 26, 2023, in the County of St. Louis, State of Missouri, the defendant committed the felony of Murder in the Second Degree charged in Count 1, all allegations of which are incorporated herein by reference, and the defendant committed the foregoing felony of Murder in the Second Degree by, with and through, the knowing use, assistance and aid of a deadly weapon.

COUNT: 03 TAMPERING WITH PHYSICAL EVIDENCE IN FELONY PROSECUTION

That Justin Vance, in violation of Section 575.100, RSMo, committed the class E felony of tampering with physical evidence, punishable upon conviction under Sections 558.002 and 558.011, RSMo, in that on or about October 26, 2023, in the County of St. Louis, State of Missouri, the defendant concealed a handgun with the purpose to impair its availability in a homicide investigation, an official investigation, and thereby impaired and obstructed the prosecution of Justin Vance for the crime of murder in the second degree, a felony.

I, John DeBisschop, DSN 0277, Maplewood Police Department, knowing that false statements on this form are punishable by law, state that the facts contained herein are true and documented in report number 23-1447. I have probable cause to believe that on October 26, 2023, within St. Louis County, Justin Vance, Black, Male, 5'08", 160lbs, committed one or more criminal offense(s).

Count: 01 MURDER 2ND DEGREE

Count: 02 ARMED CRIMINAL ACTION

Count: 03 TAMPERING WITH PHYSICAL EVIDENCE IN FELONY PROSECUTION

The facts supporting this belief are as follows:

Defendant and multiple co-conspirators met with the victim. They demanded the victim pay them \$400. When the man refused one of the co-conspirators physically assaulted the victim with his hands. The victim and co-conspirator became engaged in a physical struggle. The defendant then produced a pistol and shot the victim in the back, killing him. The defendant and co-conspirators ran from the scene. The defendant then entered a nearby garage and hid the murder weapon. The defendant fled and is currently at large.

I believe the defendant is a danger to the community and is unlikely to respond to a court

summons because he is currently at-large. He also murdered an unarmed man with a firearm. He then attempted to obstruct the legal system's investigation and prosecution of this murder by

hiding the murder weapon.

An individual convicted of this offense is not eligible for probation or parole for a period of five years.

**COUNT: 02 AGE MISREPRESENTATION WITH INTENT TO SOLICIT A MINOR (VIA ANY ELECTRONIC COMMUNICATION) FOR SEXUAL MISCONDUCT – CLASS E FELONY**

That Cesar Sanchez, in violation of Section 566.153, RSMo, committed the class E felony of age misrepresentation with intent to solicit a minor, punishable upon conviction under Sections 566.133, 558.002 and 558.011, RSMo, in that on or about October 17, 2023, in the County of St. Louis, State of Missouri, the defendant knowingly misrepresented his age with the intent to use the Internet to engage in criminal sexual conduct involving a minor.

I, Michael McDonald, DSN 4583, St. Louis County Police Department, knowing that false statements on this form are punishable by law, state that the facts contained herein are true and documented in report number 23-41494. I have probable cause to believe that between October 17, 2023 and October 23, 2023, within St. Louis County, Cesar Sanchez, White, Male, 5'08", 175lbs, committed one or more criminal offense(s).

Count: 02 AGE MISREPRESENTATION WITH INTENT TO SOLICIT A MINOR (VIA  
ANY ELECTRONIC COMMUNICATION) FOR SEXUAL MISCONDUCT -  
CLASS E FELONY

The facts supporting this belief are as follows: Investigators with United States Homeland Security along with St. Louis County Special Investigation Unit engaged in online chat with the defendant. Investigators presented as a thirteen year old female. While engaging in the chat the defendant represented himself as thirty years of age despite his actual age of thirty-six. The defendant expressly stated he desired the sexual contact with the purported thirteen year old victim. While chatting, the defendant made multiple references to meeting and actually arrived at a meeting place. Upon his arrival defendant was taken into custody and found to be in possession of condoms. Defendant made multiple admissions as to his participation in the chat and his intent to meet the victim. Defendant also made a written statement of apology.

I believe that the defendant will not appear in court in response to a criminal summons because he resides in the state of California and has no ties to the St. Louis Metropolitan area. The Defendant was set to fly out of St. Louis as of October 25.

**SOMETHING DIFFERENT** This newsletter is mostly cops and crime related posts with little or no government news. In an effort to provide something else I came up with something unusual but admittedly way too long. If you like baseball or singers you might enjoy it.

**WHAT'S MISSING ON TV BROADCASTS OF THE WORLD SERIES** It used to be you got to see the National Anthem performed on TV right before the first inning of World Series games. That is not happening much any. TV goes from the Pregame Show where you might see the Anthem performed 10 or 15 minutes before the game, direct to the first pitch. We often don't get to see the Anthem singer or the ceremonial first pitch anymore when we tune in for the game and skip the hour long pregame show. Commercials are more important.

Here is a list of Anthem performers we found during the TV era from 1950-2010, See who many you know or remember. (warning: many you don't know were probably opera singers)

There are the two who have the most appearances singing the anthem at Series games (of course Yankee games):

**Lucy Monroe**, a Broadway performer, sang the National Anthem for opening day and World Series games (mostly for the Yankees) from 1947 to 1960 which included nine World Series.

**Robert Merrill**, a baritone, also sang the anthem at nine World Series often before several games each year, from 1973 to 2000. He started singing the Anthem for Yankee opening day in 1967. He was in operas, had his own national radio show in the 40s, appeared on TV variety shows out of New York for decades and sang in nightclubs.

See how many you remember. It might take Lenord Slatkin to recognize the opera singers.

I covered over 1,000 minor league and some major league games on the East Coast as a sportswriter. I heard and saw a lot of Anthems being sung. Military singers and bands would do a 60-90 second version. We in the press box considered over 90 seconds too long. At a Baltimore Oriole Double AA minor league team's press box we would bet by just looking at the singer how long the Anthem would be. You would put a dollar in the pot and the person closest to the actual time got the loot. Prima donnas would be the ones to drag out notes going toward

the three-minute mark. When the team's General Manager found out about the betting he banned his employees from participating which put an end to it as the pots were then too small.

**OPENNING DAY 2018 COLLEEN SCHOENDIENST SIGNS THE ANTHEMN.** Daughter of Red Schoendienst Cardinal Hall of Fame 2<sup>nd</sup> Baseman, former manager and coach, Colleen owned the McDonalds in Town and Country and Chesterfield. Two months later Red would die at age 95 at his Town and Country condo. Colleen's mother, Mary Schoendienst sang the anthem at World Series games in the 1960s. Colleen sang God Bless America at the start of Game 4 of the 2006 World Series.

**ONE LAST BASEBALL STORY:** On Monday October 30, 2023 Frank Howard died. He was 87 years old. Frank was an outfielder with the Dodgers from 1958 to 1964. He was traded to the Washinton Senators where he played from 1965 to 1971, when the Senators moved to Dallas and became the Texas Rangers. He was 6'7 and 275 in his playing days, known as a homerun hitter (he hit the last Senator's homerun at RFK Stadium.) He played in 10 All Star games. His most home runs in a single season was 48. His nickname was the "Capital Punisher."

My story about Frank Howard was in 2004 in the press box of a Baltimore Oriole AA minor league team. Frank, who lived in the Virginia suburbs of Washington, DC, came to game as a favor to scout a player on the opposing team. He was sitting in row-3 behind the plate when some fans recognized him. Suddenly there was a line of 50 kids to get his autograph (probably sent by their fathers).

He retreated to the press box but there was a problem. The team had two strict rules. 1) No beer in the press box. 2) Sportswriters were forbidden to ask for autographs.

Frank liked his beer and the team's general manager waived the beer rule just for him. Frank was sitting right behind me and we talked for most of the game. I told him about Rule #2. Somehow he got a couple of baseballs and he gave me and another sportswriter autographed baseballs. I have that ball sitting in an Enos Slaughter baseball glove framed in my office.

**A SHOCKING DEATH:** Much loved singer, actor and someone who always makes you smile, Dean Christopher died in his sleep at his home in Florida on October 28. Despite his highly active shows Dean had dealt with heart issues for some time. Dean was a regular performer on the Golden Rod Showboat in the 1970s. He performed in Off-Broadway shows and was the opening act for Don Rickles stage shows. He won awards for his acting at the MUNY, but he was best known for his Big Band singing and impersonations of the RAT PACK. His Christmas shows were a real treat and I planned to attend his show this year on 11/30 at the Shelton. He announced it would be his last.

Dean went to Bayless High School in South County until his senior year when he was at Afton HS with John Goodman. Dean's wife Victoria Churchill taught Drama for the Parkway Schools.

Here is a link to an article I wrote for the St. Louis County Arts & History Magazine in 2017 about Dean.
