

EX ALDERMAN NEWSLETTER 611 AND CHESTERFIELD UNAPPROVED 556**DECEMBER 15, 2023****TOWN & COUNTRY BOARD OF ALDERMEN MEETING**

MISSING: Ward 1 Barbara Ann Hughes, Michele Francisco were absent, Ward-2 still only had one alderperson after resignation of Holly Even two weeks ago. With only five elected officials of the eight seats present it means that any single NO vote despite a 4-to-1 vote the bill or resolution would fail as a majority vote of seats is required with at least 5-yes votes. Every item on the December 11 agenda passed 5-0.

PROMOTIONS

It was announced at the start of the meeting that City Clerk Ashley McNamara would also be the new Ast. City Administrator, a job that is currently not filled, because it doesn't exist. Ashley does so much work as the City Clerk and is so good at it I think she is already doing much of the future Ast. City Administrator work.

The question is, what will she make doing two jobs?

She wrote us that she wasn't sure what her new salary will be.

City Clerk plus future Ast. City Administrator also

Ashley McNamara

ALSO ANNOUNCED **Laura Lowell** the admin coordinator for Planning and Public Works is getting a new job in January. Laura, like Ashley, handles a lot of work. On some days it almost seems she is running things.

The new job will be the Senior Accountant in the Finance Department, a position that is currently not filled and does not exist.

The Assistant Finance Director Marian Oesterle is retiring. The Senior Accountant position is replacing the Ast. Finance Director position.

DEER MANAGEMENT APPROVED: Also approved was the White Buffalo deer harvesting contract. We reported how this was on the agenda two weeks ago. There was a slight increase in cost of \$750. Here is the memo concerning this deer management that we ran two weeks ago:

MEMO

TO: Mayor and Board of Aldermen
FROM: Bob Shelton, City Administrator
DATE: November 27, 2023 (*revised 12/11/23*)
RE: 2024 Deer Management Proposal

(Corrections shown in **bold**)

SUMMARY- Bill No. 23-53 on the agenda for first reading November 27, provides for an agreement with White Buffalo to cull an estimated 75 deer. To maintain a reasonable population level, the Missouri Department of Conservation (MDC) recommends the removal of up to 100 deer in the winter of 2024. The 2024 proposed budget includes funding for 75 deer based on the number of sites expected and the 50 deer taken last year. Funding is broken down as follows and included in the proposed 2024 Budget:

\$39,561	White Buffalo for culling approximately 75 deer
8,250 9,000	Food processing for St. Louis Area Foodbank (\$110 \$120 /deer)
<u>5,468</u>	Distance sampling (population estimate)
\$53,279 \$54,029	

There have been 30 recorded deer/vehicle collisions through October of this year, which is slightly ahead of the same 10-month period last year.

White Buffalo is currently scheduled for early January with additional commitments in Des Peres and Wildwood. Staff will be coordinating with MDC once again to donate up to a dozen deer to the Zoo Red Wolf Program, *which would reduce the food processing expense by \$1,440.*

FAMILIAR FACE FOR 2 TWO-YEAR WARD-2 TERM: Al Gerber who beat me in 2010 and then later lost a reelection bid filed for the 2-year term on the Board of Aldermen. Al lives in the condos behind the Mason Village Shopping Center.

Al is a hardline Democrat who served the Missouri State Democratic Committee. He is closely associated with Principia and the Christian Science Church. He raised three times more money than I did.

In 2012 Gerber only got 40% of the vote and was easily defeated by Chuck Lenz. AFTER LOSING TO Lenz Gerber lost to Dean Plocher to replace disgraced John Diehl in the Missouri House, again getting just 40% of the vote.

Filing for municipal office ends on December 26.

Probable Cause Statement

I, Detective Holly Garza 335, with the O'Fallon Missouri Police Department, a law enforcement agency, state that the facts contained herein are true to my best knowledge and belief and that any false statements made are punishable by law.

1. On 02/10/2021 – 02/24/2023 in, St. Charles County, Missouri, Joseph Vancardo did knowingly:

Physically assault Victim 1 during the following incidents:

02/10/2021:

Victim 1 said her and Vancardo were out earlier in the evening at a bar when Vancardo left her at the bar alone. Victim 1 informed me a friend of Vancardo drove her back to her residence. When she arrived her residence, Vancardo was already there with friend, who was a witness to the incident. Victim 1 asked Vancardo to leave the residence and when he refused a verbal argument began. Vancardo became irate and threw glasses inside the residence. He also began punching holes in the wall and pantry door as well as break photographs throughout the residence. Vancardo then began physically assaulting Victim 1 by punching her in the face and body with a closed fist causing her nose to bleed. Victim 1 said she was unsure who called the police; however, the O'Fallon Police Department arrived at her residence. While she was speaking to the Officers on scene, Victim 1 said Vancardo hid in the basement. Victim 1 informed me due to Vancardo punching her she suffered a chipped front tooth, a black eye, and multiple bruises to include a large bruise on her left elbow. Victim 1 showed me the photographs taken from her cell phone of these injuries.

05/28/2021:

Victim 1 stated her Vancardo began verbally arguing when she began asking him to leave the residence due to his intoxication. The verbal argument escalated into a physical argument when Victim 1 said Vancardo began choking her while Victim 1 was sitting on the couch. Vancardo placed his hands around her neck squeezing and choking her to the point she could no longer breathe. Victim 1 said her daughter was screaming at him to stop, which he finally did; however, when she stood up from the couch, he knocked her over and pinned her face to the hard wood floor. Victim 1 stated while Vancardo was choking her she thought she was going to die. Victim 1 advised she had bruising around her neck and on the right side of her face from this incident. Victim 1 showed me photographs taken from her cell of these injuries.

02/24/2022:

Victim 1 advised her and Vancardo were out to dinner when he became extremely intoxicated. She was angry about this, and a verbal argument began in the vehicle on the drive back to their residence. Vancardo was irate and punched the windshield of the vehicle, causing it to crack. Upon their arrival to the residence, Victim 1 said she exited the vehicle and entered the residence. As she walked through the laundry room, Victim 1 said Vancardo grabbed her from behind and pushed her to the ground. Vancardo grabbed Victim 1's head and smashed her head into the ground numerous times causing her to bleed profusely. Victim 1 said her daughter was home at this time and when she walked into the laundry area after hearing the commotion, Victim 1 asked her to call the police. Vancardo would leave the laundry area and return only to continue physically assaulting Victim 1 by slamming her face into the ground. He retrieved her cell phone and threw it into the front yard causing the screen to crack. Victim 1 informed me she suffered two black eyes, a broken nose, swollen face, and lips as well as burn marks from the floor.

4/09/2022:

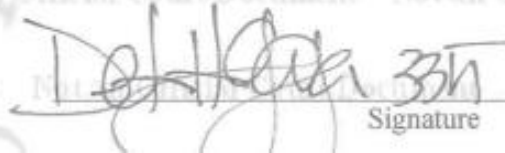

Victim 1 stated she was choked again by Vancardo, this time while on their bed. He placed his hands around her neck and squeezed hard enough for her to be unable to breathe. Victim 1's daughter witnessed this incident and began crying for him to stop. Victim 1 said this has happened many times and this was just one particular incident.

02/24/2023:

Victim 1 said she was at a restaurant with a friend when Vancardo arrived. A verbal argument ensued and Vancardo was escorted from the restaurant. Victim 1 also left the business and stopped at a local gas station when Vancardo also arrived at the business. Victim 1 requests Vancardo leave and when he refuses a verbal argument ensues while Victim 1 is standing the doorway of Vancardo's vehicle. Victim 1 is forced to enter the vehicle while Vancardo leaves the business. She states Vancardo began driving erratically, swerving, speeding, and slamming on his brakes all while grabbing her face with his hands leaving finger marks on her face. Upon arrival to Victim 1's residence, Vancardo jumped on top of Victim 1 while she laid in her bed. He proceeded to pin her down with his body weight and place his hands around her neck choking her until Victim 1's female friend, intervened and was ultimately assaulted by Vancardo as well.

3. I have reasonable grounds to believe that the defendant will not appear upon the summons or is a danger to the crime victim, the community or any other person because:
The victim is afraid of being killed by Vancardo. He continually harasses her and drives by her residence, even at times leaving items on her front porch. He continually calls her after she has requested, he not contact her. The victim has attempted to obtain an Order of Protection multiple times, yet the court date has been continued a multitude of times. The victim believes Vancardo will not stop until he physically hurts again.

2023 HANDMADE CHRISTMAS CARDS PART 2

THURSDAY AND FRIDAY CHRISTMAS WITH THE WIFE: My wife, the artist of the Christmas Cards, fell in the woods behind our house and broke her ankle. She had surgery on Monday that left her under house arrest with no standing on her ankle. That left us with just a few days to get out for Christmas fun.

Our first stop was at Jazz St. Louis (formerly Jazz at the Bistro) on Thursday for the second night of the Merry Manley Christmas show.

Both nights were sold out. Plus Jim added some comedy between shows. He had pictures of album covers that the Columbia Music subscription that was pushing on customers back in the 1960s including Bozo the Clown, Christmas on the Ponderosa, Christmas with Col. Sanders and the 3 Stooges Christmas album (the 3 Stooges were all Jewish).

Harlan Sanders really wasn't singing...the album was a promo for KFC customers and featured famous artists, but the jacket cover was scary thinking it could be him singing.

The next night it was the Route 66 Jazz Orchestra playing at their number one home base of the Unity Church on Butler Hill Road. It is not like going to church...it was BIG BAND music that is hard to find. While the average age at Jazz St. Louis for the Manley show was probably 54 with some 30-year-old musicians whose girlfriends/wives may have been a little bored waiting for the Hip Hop or Rap that never came.

The Route 66 also had a full house. However, if I had to guess I'd say the average age was 74.

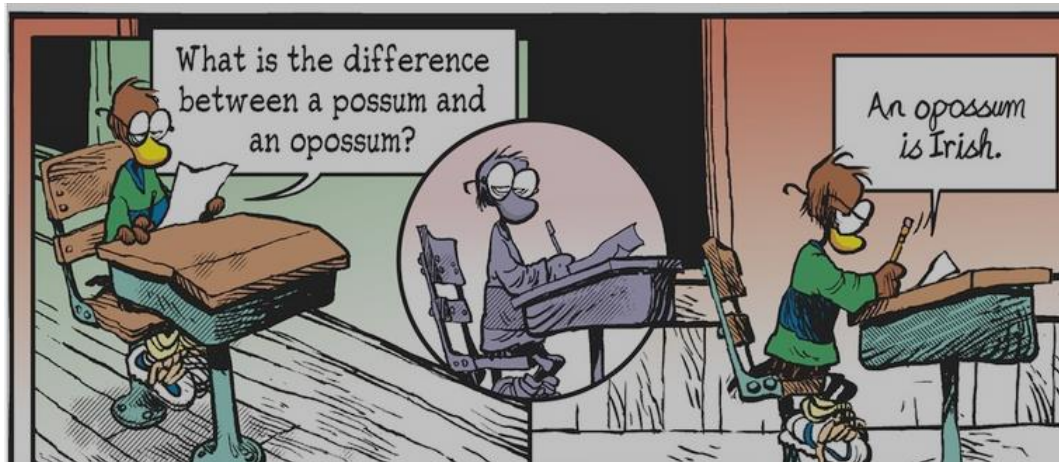

This is former Town & Country resident Ben McDavid (Thornhill subdivision) on a solo.

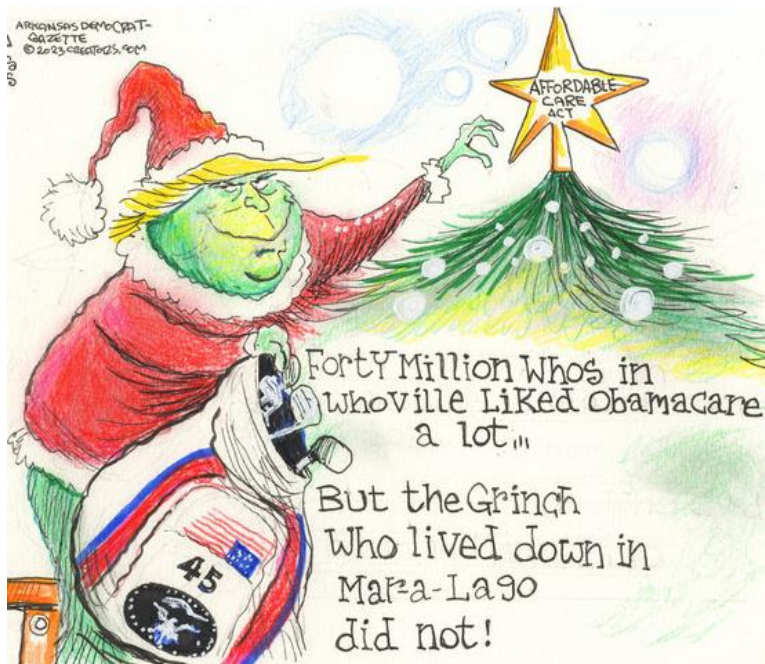

Perhaps the highlight of the evening was female guest vocalist Maria Vargo, a St. Louisan who spent time in New York and most recently Los Angeles as a singer and actress. She went to High School at the now closed (2017) John F. Kennedy High School on Woods Mill RD in Manchester.
