**JANUARY 11, 2024**

**MY LUXURY VACATION.** I just spent my 11-day luxury vacation in Chesterfield. I didn't have to get out of bed and was served three meals a day. I even had a chauffeur-ride. Okay, I overstated a bit. The chauffeur ride was in an ambulance. My stay at the resort was at St. Luke's Hospital. I was in the ICU unit for 11 days and meals were awful. That said we are little behind on newsletters.

## CASINO TOWN AND COUNTRY

Town and Country Market and Casino Clayton & Ballas

David Niven  
Bond in Casino Royale

Unsigned letter from resident:

John — Please look into  
the new gambling machines at  
Balkis / Clayton gas station.  
They are illegal under Mo law.

Did T&C approve this as  
part of rezoning the station?  
Are we really allowing  
gambling in our gas stations?  
The State Highway Patrol has  
impounded these Torch Machines  
look @ Greene County.

**Here is the response from City Hall:** This is from City Clerk/Ast City Admin Ashley Macnamara when I asked gas station conscience store had or needed a permit for gambling devices:

Hi John, not that I am aware of through Board of Aldermen as they were approved for a Preliminary Site Development, Conditional Use Permit, and Architectural Review and I don't recall any of those mentioning gambling machines. I checked with Ryan Spencer and he said at present there are no specific conditions that address that specific use. Our legal counsel is currently looking into the regulation of these machines and what, if any, Code amendments may be required.
