**EX ALDERMAN NEWSLETTER 640 AND CHESTERFIELD UNAPPROVED**

**JULY 13, 2024**

**TOWN AND COUNTRY POLICE AND CITY HALL HEAVILY PUBLICIZED THAT POSSESSION AND SHOOTING FIREWORKS WERE ILLEGAL. THEN THE POLICE DEPARTMENT FORGOT TO ENFORCE THE LAW. CHESTERFIELD ALSO FORGOT ENFORCEMENT**

This was what was posted on City and Police websites and sent out by the city:

As jerks once again bombarded their neighbors with loud ariel bombs apparently officers had their windows rolled up. There were no fireworks related citations issued.

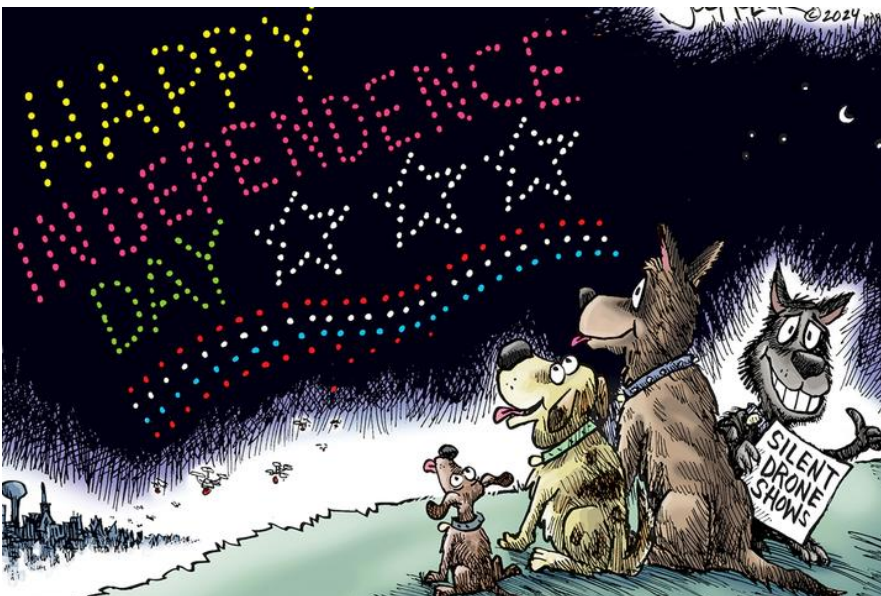

**It is pointless to have laws that are unenforced.**

You would think after losing a pavilion in Drace Park that has yet to be replaced the city and the police might be more attentive to the need for enforcement. WRONG

There are more people with dogs under beds and a few with horses kicking their stalls than jerks launching loud bombs. The City and Police would get much more PR appreciation by enforcing the fireworks law and posting how many citations they issued.

**CHESTERFIELD** is four times as large as Town and Country. The daily End of Watch reports showed they were answering illegal fireworks calls daily. THEY ISSUED NO CITATIONS. The difference between Chesterfield and Town and Country is that Chesterfield did not plaster websites and emails about fireworks being illegal (there certainly are) inferring the police might do nothing about it.

**DICK PALMER, 89, DIED ON JUNE 29.** Dick Palmer, longtime resident on Greenwich Green and husband for 67-years to Mariette Palmer, well known deer advocate, died on June 29. There was not a cause of death given but Mr. Palmer had health issues dating back a few year.

After graduating from the University of Missouri with three engineering degrees Dick enlisted in the Navy and was an officer serving in the Philippines and Hawaii.

He married Mariette in 1957. While Mariette was active in Town and Country Politics especially opposing thinning of deer herds by shooting deer, Dick didn't get involve other than driving Mariette to Aldermanic meeting, but he was always fun to talk to as he had a great sense of humor.

We went through our photos files and found plenty of photos of Mariette, but none of Dick. Here is a 60-year-old photo that ran with this obit.

### **TOWN AND COUNTRY BOARD OF ALDERMEN MEETING**

Perhaps the most interesting agenda item of the night involved no discussion. The developer of the 17 large house subdivision on 10 acres on North Forth Drive did not asked for a continuance on the plans and rezoning. They withdrew the entire the entire

plans and rezoning request. The planned Deer Hollow Subdivision now no longer an issue as the developer withdrew it.

**WINTER RIGHT AROUND THE CORNER** The Aldermen approved spending up to \$61,187 for 700 tons of road salt from a company in Overland Park, Kansas. The City of Chesterfield for 49 cities in the Metro Salt co-op including getting prices and storage.

**PERHAPS THE MOST IMPORTANT ITEM ON THE AGENDA:** The Alderpersons voted 7-0 to cancel the second July Aldermanic Meeting. Of course, there was no offer to accept less in their paycheck after voting to have just one instead of two meetings.

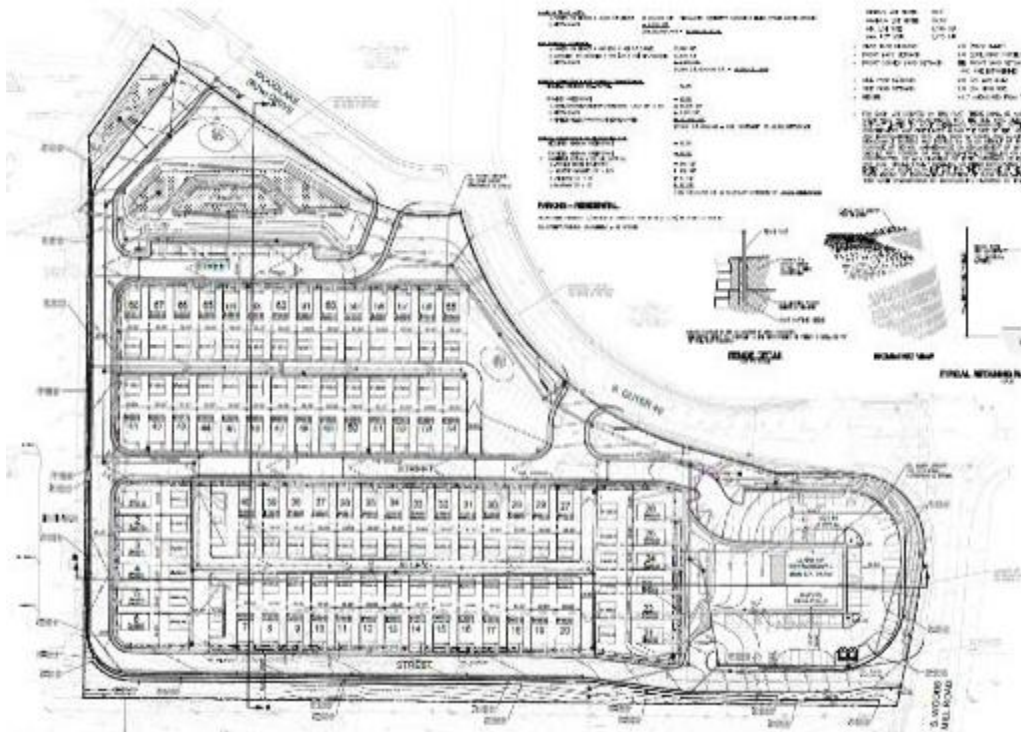

**EXTRA LONG MEETING** This agenda was so short myself and some staffers were guessing it would be 12 minutes long. I said 12 minutes long, unless Ald. Sue Allen started talking at the end of the meeting. She did and it was 33 minutes long.

Sue Allen

**MCBRIDE HOMES WITHDRAWS PLANS FOR THE 67 TOWNHOUSE STYLED HOUSE ON 11 ACRES.** Due to community concerns and how the development if approved would shatter Town & Country's 1 house on one acre standard and due to Aldermanic concerns along with the plans voted down by the Planning and Zoning Commission, McBride Homes withdrew their plans this week.

They promised to return with new plans for the property that is now a mostly vacant strip center.

The plans had the houses 15 feet apart with unattached garages and long alleys. McBride had continued the plans and rezoning three times before withdrawing them.

## UNAPPROVED CHESTERFIELD NEWSLETTER

**APRIL 2025 ELECTION RUMORS:** I have been contacted by people and called others to verify the rumors only for the Chesterfield Mayoral election in April.

Several people told me that Mayor **Bob Nation** would not be seeking a fourth 4-year term after serving 12 years..

Next we heard from several people saying how Ward-4 Councilwoman **Merrell Hansen** has been repeatedly contacted to file in December for the Mayor's Office.

We also heard for more than one person that Councilman **Dan Hurt** was thinking about running. Hurt has usually won with large numbers in Ward-3 Council races.

All the possible candidates mentioned meet a national issue...age. Bob Nation will be 74. Dan Hurt will be 73 and Merrell Hansen will be 72, but looks like she is 58. One person we heard from suggested that if Bob Nation decided to run again possibly everyone else would probably dropout.

**24-2717 – Stealing Investigation – Arnage Blvd**

An auto dealership reported that three suspects entered the showroom and inquired about several high-end vehicles. The dealership managed to obtain a name and phone number from only one of the suspects. During their visit, the sales personnel provided the suspects with vehicle key fobs, allowing them to sit in several vehicles for a short time under the pretense of interest in purchasing. At this point, the reporting party believes the suspects swapped the original key fobs with identical, nonfunctioning ones—a common tactic used by more professional auto thieves. Fortunately, the sales staff detected the swap, moved the vehicles inside the building, and are currently reprogramming new key fobs. Follow-up investigation revealed that the phone number provided was a VoIP line, and no suspects have been identified. The investigating officer also relayed the details of the case to the St. Louis Fusion Center.
