TOWN & COUNTRY BOARD OF ALDERMEN MEETING:

It was a 20-minute meeting with all 8-0 votes. There was nothing controversial.

HUH? For 26-years there was no real estate tax in Town and Country. Then in 2024 residents were hit with a 23-cent per \$100 valuation tax. It raised \$1,644,400. It is estimated to create \$2,377,513 in revenue in 2025.

Now the City wants to lower it to 21-cents due to the increased value of homes. That will be \$437 per \$1,000,000 appraisal on a house.

	<u>CEILING RATE</u>	<u>PROPOSED RATE</u>
Residential Real Estate	0.2100	0.2100

However, while residents are coughing up money to the city for the first time in 26-years, is the City watching its spending? Maybe not. Here is a bill before aldermen that was paid at the Aldermanic Meeting on September 8.

The new tax rate was only first read and would have to be voted on at the September 22 meeting. But the drone bill was approved at the September 8th meeting.

Drone Show in Oregon

Drone shows are much better than fireworks. They don't scare dogs in a mile radius. The horses at the Longview Park stable won't have to have a handler per horse to keep them calm and they don't start accidental fires to houses or turf. In 2024 the city spent \$7,500 on fireworks. This year the drone show is \$14,900. Instead of Fire & Ice, maybe just ice and music, 2025 would be a good year not to have fireworks or drones until the taxes go down.

AUTO ELECTRIC CHARGING STATIONS AT TOWN & COUNTRY CROSSING.

Alderspersons approved the adding of 8-electric vehicle charging stations in the Town and Country Crossing shopping center in front of the Target store.

MORE POLICE OFFICERS: Since April we have covered the hiring of four new police officers that I thought would leave the department at full strength. I was wrong. The department is reviewing applications for two more officers that if hired would leave the department at full staffing of 28-officers.

TWO AREA DOCTORS SENTENCED IN FEDERAL COURT FOR MEDICARE FRAUD

Dr. Asim Muhammad Ali was sentenced to 70 months in Federal Prison. He had been associated with Missouri Baptist/BJC Hospital in Town and Country. This is from the U.S. Attorney's Press Release:
