CHESTERFILED ARCHITETURAL REVIEW BOARD This was the only item on the November 13th agenda:

PROPOSAL SUMMARY

TR,i Architects has submitted Amended Architectural Elevations for an existing vehicle service facility located south of Olive Blvd. The existing building is constructed of brick with an aluminum panel band along the upper portion. The applicant proposes to repaint the building and remove the aluminum panels. No other changes to the site are proposed.

13490 Olive Blvd. (Take 5 Oil Change): Amended Architectural Elevations for an existing vehicle service center facility located on a 0.40-acre tract of land, zoned “C2” Shopping District with Conditional Use Permit No. 17.

Figure 7: Proposed view of the building from Olive Blvd.

ARCHITECTURAL REVIEW BOARD ACTION

Board Member Mehrtens made a motion to forward 13490 Olive Blvd. (Take 5 Oil Change) to Planning Commission with a recommendation of approval with the following conditions:

- The existing pavement be resealed.
- Updates and maintenance to the existing trash enclosure if not in working condition.
- The existing roof-mount satellite equipment be removed.

Board Member Lavrich seconded the motion. The motion passed by a voice vote of 4-0.

CHESTERFIELD CITY COUNCIL MEETING There were no controversial issues and only 8-0 votes on all agenda items. The meeting was over in 21 minutes.

Council approved \$125,000 to be removed from the Parks Department Budget reserve for activities in 2026 to celebrate the 250th anniversary of signing the Declaration of Independence. This is from the Council's agenda:

Highlights include enhancements to the City's 4th of July Celebration, with an estimated additional cost of \$40,000 beyond the current budget. Proposed enhanced features include a B-2 Bomber flyover, carnival-style attractions such as a large amusement slide, rock-climbing wall, and expanded entertainment offerings. A drone show has been recommended for inclusion at another major event, such as the Sounds of Summer Concert Series (potentially featuring a Toby

Keith tribute to his *Made in America* album) or the Fall Festival. More than 30 programs and events throughout the year will incorporate patriotic themes, activities, and giveaways. The celebration will culminate with the Veteran's Day event in November 2026.

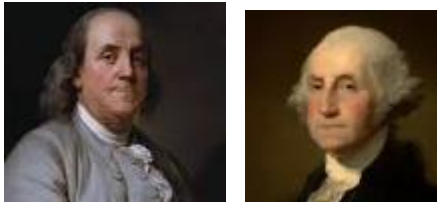

A few questions I had, were there drones and B-52 Bomber in 1776? If not, do you need those to celebrate.

The Council is also looking for \$150 sponsorship of 250 American Flags that are planned to be situated along Veterans Place Drive. The City is hoping by sponsoring and paying for flags(some are donated) will generate \$12,000 for the City.

Finally the City wants to go into the T-Shirt business and sell 500 250th Celebration T-Shirts generating \$7,500.

Additionally, the committee recommends selling **250th commemorative t-shirts**. Projected sales of 500 shirts at \$15 each could generate \$7,500. Further details regarding the proposed programs and events are provided in the attached documents.

I don't remember were Ben Franklin and George Washington in the T-Shirt Business.

Mayor Hurt did not make any mention Thomas Jefferson having over 100 slaves in 1776 and 100s of American Legion soldiers dying of smallpox.

HOW ABOUT A NICE WHISKEY SOUR TO GO WITH THAT BREAKFAST MUFFIN?

This is from the Council Agenda:

Liquor License Request - Balkan Store and Bakery - 13393 Olive Blvd - has requested a new liquor license for retail sale of all kinds of intoxicating liquor for consumption on the premise, and Sunday sales of intoxicating liquor. There are no known outstanding municipal violations

I am just assumed that a "Bakery" has a liquor by the drink license for Sunday. What's on the menu...Beer and a Sausage link, Whiskey Sour and a Waffle, Rum and RUM Cakes, Dubliner and Doughnuts, Martini and Muffin?
