ALCOHOL INFLUENCE REPORT NARRATIVE

REPORTING OFFICER: P.O. P.O. JAIMIE WOOD #701 BADGE: 701 INCIDENT NO: 2012-0002 SUBJECT: JONATHAN F. DALTON OCCURRENCE DATE: 01/01/2012 COUNTY: ST. LOUIS

On 01/01/2012, at approximately 0250 HRS, P.O. Ryan Eaton #199 was transporting a subject for booking to the Ladue Police Department. per Report #12-0001. While P.O. Eaton was on westbound Clayton Road, at Price Road, he observed a vehicle in front of his traveling westbound on Clayton Road with no lights on. P.O. Eaton notified all units of the vehicle operating with its headlights and taillights off. P.O. Eaton also stated he watched as the vehicle's turn signals flashed from left to right erratically, and the headlights occasionally turned on and off. Sgt. John Wagner #156 was nearby and got onto westbound Clayton Road to look for the vehicle. Sgt. Wagner located the vehicle at Clayton Road and S. Warson Road and observed the vehicle as it traveled northbound on S. Warson Road. Sgt. Wagner activated his emergency equipment and stopped the vehicle at 500 S. Warson Road after observing its failure to stop at the stop sign at S. Warson Road and Conway Road. P.O. Tim Carter #170 responded to assist Sgt. Wagner, and I arrived on scene immediately after P.O. Carter.

Upon my arrival, I contacted Sgt. Wagner. He informed me of the stop sign violation, and then I contacted the driver of the vehicle who was identified as:

> Dalton, Jonathan F. W/M DOB: 09/30/1989 SSN# 492-02-6525 12801 Tundra Court St. Louis, MO 63131 PN# 314-567-0333

I contacted Dalton and asked if he knew he was operating his vehicle without headlights and taillights. He stated he wasn't sure, and that he was unfamiliar with the vehicle. I asked where he was driving from, and he told me he went from Old Warson Country Club to a friend's party, and that he was on his way to another friend's party. I observed his eyes to be glassy and watery, and his clothes were disheveled. I asked Dalton if he would perform the Standardized Field Sobriety Tests. He agreed to perform the tests.

I had Dalton stand to the rear of his vehicle. The street was level and the roadway was dry.

Field Sobriety Tests:

I administered the Horizontal Gaze Nystagmus test. As I explained the Horizontal Gaze Nystagmus test, I smelled a strong odor consistent with alcoholic beverages emitting from Dalton's breath. I noticed that his pupils were normal, equal in size, tracked equally, and did not display resting nystagmus. Dalton did not display Vertical Gaze Nystagmus. I noted the following clues:

- -Lack of smooth pursuit in each eve
- -Distinct and sustained nystagmus at maximum deviation in each eye
- P.O. Carter administered the Walk-and-Turn test and the One Leg Stand test.

First, Dalton performed the Walk-and-Turn test. P.O. Carter properly instructed and demonstrated the test. P.O. Carter asked if he understood the test and if there was any reason he could not perform it as I had demonstrated. P.O. Carter asked Dalton if he had any medical conditions that could inhibit the performance of the test, to which he said no. He said he would perform the test. He performed the test and I noted the following clues:

- -Failed to maintain heel-to-toe stance
- -Started before being instructed to begin
- -Lost balance while walking/stepped off line
- -Used arms for balance

The next test Dalton performed was the One Leg Stand test. P.O. Carter instructed and demonstrated the test. P.O. Carter asked if he understood the test and if there was any reason he could not perform it as explained. Dalton said he would perform the test. He performed the test while standing on his left foot, and I noted the following clues:

- -Swayed while balancing
- -Used arms for balance

Based on Dalton's performance of the Standardized Field Sobriety Tests, I placed him under arrest for Lady participal Ordinance 98-122: Operated a Motor Vehicle While in an Intoxicated Condition. I began observing Dalton at 0316 HRS; the time of

At the scene, I read Dalton his Rights, per the Miranda Decision, from the Missouri Department of Revenue Arcohol Influence Report. Dalton stated he understood his Rights and agreed to answer my questions (See Page 3.)

ALCOHOL INFLUENCE REPORT NARRATIVE

REPORTING OFFICER: P.O. P.O. JAIMIE WOOD #701 BADGE: 701 INCIDENT NO: 2012-0002 SUBJECT: JONATHAN F. DALTON OCCURRENCE DATE: 01/01/2012 COUNTY: ST. LOUIS

Also at the scene, I read Dalton the Provisions of the Missouri Implied Consent Law. Dalton stated he wished to consult his attorney, so I transported him to the Ladue Police Department's Booking Area where he called his father, who Dalton said was also his attorney.

Dalton made contact with his father, who said he was on his way to the station to meet with Dalton in person. Dalton's father did not arrive within the 20 minute time allotment, and Dalton's decision, per the Missouri Implied Consent Law, was classified as a refusal.

I booked and processed Dalton, per Ladue LID #16048.

P.O. Carter performed an inventory search of Dalton's vehicle and found three large bottles of liquor in a gym bag behind the driver's seat:

- -Bacardi Rum One 750 mL Bottle
- -Evan Williams Bourbon One 1.75 L Bottle
- -Seagram's Vodka One 1.75 L Bottle

The bottles of liquor had been opened and were not completely full, but still contained liquor. Dalton's vehicle was then towed from the scene by McNamara's Towing at 814 S. Lindbergh Blvd., St. Louis, MO 63131, reference #V21358207.

I was unable to seize Dalton's Missouri Driver's License because he did not have it with him. I issued him the Missouri Notice of Revocation and 15-Day Driving Permit. I also issued the following Ladue citations:

UTT: 110210428 - No Tail Lamps

UTT: 110210429 - Violate Major Stop Sign

UTT: 110210430 - Operating a Motor Vehicle While Intoxicated

On 01/01/2012, at 0430 HRS, Dalton was released from custody to his father. He is scheduled to appear in Ladue Municipal Court on 02/08/2012, at 1800 HRS, to answer the charges against him.

A copy of this report will be forwarded to Ladue Prosecuting Attorney James Towey for his review.
