#### ALCOHOL INFLUENCE REPORT NARRATIVE

REPORTING OFFICER: PO JERRY SCHWARTZ BADGE: 191 INCIDENT NO: 12-0621

SUBJECT: JONATHAN FORREST DALTON OCCURRENCE DATE: 06/23/2012 COUNTY: St. Louis

#### **VEHICLE IN MOTION**

On 6/23/12, at approximately 0245 hours, I was on patrol with P.O. Jerry Schwartz, DSN 191. We were traveling westbound on Interstate 64 at McKnight. From my rear view mirror, I observed a black SUV vehicle traveling in lane 1, which appeared to be exceeding the posted 60 MPH speed limit. I activated my marked patrol vehicle's radar unit. The unit confirmed the speed of the above mentioned vehicle at 73 MPH. I later confirmed the vehicle as a:

> 2011 Audi Quattro 5 Missouri License: UD4-Z8T Black in color

The black Audi passed my patrol vehicle and continued westbound in lane 1. The vehicle continued to exceed the posted speed limit of 60 MPH. I positioned my marked patrol vehicle directly behind the Audi and observed it drifting to the left, over the white lane divider. I activated my overhead roof lights in an attempt to curb the vehicle. Upon doing so, the driver of the Audi pulled over to the left (the shoulder of lane 1). For scene safety, P.O. Schwartz ordered the driver of the Audi, via the vehicle's loud speaker, to immediately pull to the right. After several moments, the driver of the Audi complied and slowly drove the Audi to the shoulder of lane 4.

#### CONTACT WITH THE DRIVER

I approached the vehicle on the driver's side of the vehicle and made contact with him. As I reached the driver I immediately noticed his eyes to be red, bloodshot, glassy, and watery. Upon lowering the driver's side window of the vehicle, I immediately smelled an odor of what I knew to be an alcoholic beverage. Prior to me speaking to the driver, he placed his right hand over his mouth and belched. Upon observing and hearing him belch, I again smelled an extremely strong odor of an alcoholic beverage emanating directly from the driver's breath. I introduced myself to the driver and asked him to provide me with a Missouri driver's license. He complied by handing me a valid Missouri license. He was identified as:

> Dalton, Jonathan Forrest Jr. W/M, DOB: 9/30/89 DL: R149165025 MO 12801 Tundra Court St. Louis, MO. 63131 314-567-0333

I explained to Dalton the reason for my traffic stop. Based on my observations, I asked Dalton if he had consumed any alcoholic beverages this evening. Dalton replied, "No, I just met my friends downtown." Having reasonable suspicion that Dalton had consumed alcoholic beverages, and that he may be driving under the influence of same, I ordered Dalton to exit his vehicle in order for the standardized field sobriety tests to be administered; Dalton complied and exited his vehicle.

#### FIELD SOBRIETY TESTS

Once outside the vehicle, P.O. Schwartz took charge of the investigation. P.O. Schwartz introduced himself to Dalton and explained to Dalton that he would be administering a series of field sobriety tests to determine if he was under the influence of alcohol. The first test P.O. Schwartz administered was the Horizontal Gaze Nystagmus Test (HGN). He explained the test to Dalton, and he told P.O. Schwartz that he could perform the test. P.O. Schwartz stated to me that while conducting the HGN he could smell a strong odor of an alcoholic beverage emanating from Dalton's breath. P.O. Schwartz noticed that Dalton's pupils were normal, equal in size, his eyes tracked equally and he did not have the resting nystagmus. During the test, he noticed the following clues:

Lacked smooth pursuit in each eye Had distinct and sustained nystagmus in each eye at maximum deviation Displayed an angle of onset prior to 45 degrees in both eyes

As P.O. Schwartz was administering test to Dalton, I noticed him swaying in an orbital motion.

The next test given to Dalton was the Walk and Turn test. P.O. Schwartz explained and demonstrated the test to Dalton. He asked he understood the test and if there was any reason he could not perform it as it was explained. Dalton said he could perform in Schwartz directed Dalton to a level section of roadway to begin the test. The test was conducted and P.O. Schwartz ne flowing clues:

Failed to maintain heel to toe stance (during instruction phase) Improper turn (pivoted on left foot) Improper # of steps (8 steps on both passes) MO 860-0153 (02-2008)

#### ALCOHOL INFLUENCE REPORT NARRATIVE

REPORTING OFFICER: PO JERRY SCHWARTZ BADGE: 191 INCIDENT NO: 12-0621 SUBJECT: JONATHAN FORREST DALTON OCCURRENCE DATE: 06/23/2012 COUNTY: St. Louis

Next, P.O. Schwartz gave Dalton the One Leg Stand Test. He explained and demonstrated the test to Dalton. He asked Dalton if he understood the test and Dalton acknowledged that he did. When asked, Dalton stated that he could perform this test as it was explained. The following clues were noted:

Sways in an orbital motion Uses arms for balance

P.O. Schwartz asked Dalton if he would submit to a Portable Breath Test and he stated that he would do so. The results were positive for the presence of alcohol.

#### Arrest

Based on the observations of the sobriety tests, I advised Dalton that he was being placed under arrest for "Driving While Intoxicated" and "Speeding." P.O. Schwartz advised Dalton of his rights per Miranda, and the Missouri Complied Consent. He stated that he understood his rights. Dalton advised P.O. Schwartz that he was refusing to take a chemical breath test.

Dalton was conveyed back to this Department for booking. While en route to the station, Dalton began crying and continually said that he was sorry for this. He was processed and booked per LID # 16048, for the following charges:

Driving While Intoxicated UTT 110211732 Exceeding the Speed Limit UTT 110211731

Dalton was issued two Ladue traffic citations for the above listed charges. The citations have a returnable court date and time of 08/08/2012, at 1800 hours.

I seized Dalton's Missouri Driver's License, which will be forwarded to the Missouri Department of Revenue at a later date. I issued Dalton a Missouri Department of Revenue Form 4323, a notice of revocation of his driving privilege/15 day driving permit. Dalton made no other statements at this time.

On 6/23/2012, at approximately 0430 hours, Dalton was released after posting a \$400.00 bond.

Dalton's vehicle was towed by McNamara's Towing, to their storage lot which is located at 814 S. Lindbergh Boulevard, Ladue, MO. 63131.

It should be noted that this traffic stop was recorded on this Department's in-car dashboard camera.

It should be further noted that Dalton presently has a pending criminal case for "Driving While Intoxicated", which is documented under Ladue Report Number 12-02. Dalton is also driving with a Missouri Stay Order, which indicates that his driver's license is valid until August 8, 2012. This case is set for the Circuit Court docket on August 8, 2012, at 0900 hours. A copy of this Stay Order is attached to this report.

Any further information will be provided in a supplemental report.
