

DRUNKS AND THIEVES 2019 Part 2

March 10, 2019

By John Hoffmann

DRIVER UNDER THE INFLUENCE OF PRESCRIPTION AND OVER THE COUNTER DRUGS SIDESWIPE WOMAN STOPPED AT TRAFFIC LIGHT: It was 5:40 AM on Tuesday morning July 11, 2017 and Kenneth F. Milligan, 39, of St. Peters, Missouri was driving his gold Chrysler Sebring north on Highway 141 approaching I-64.

Milligan was also under the influence of three prescription medicines found in his blood. The drugs were Citalopram, an anti-depressant (Xanax), Dextromethorphan, a common ingredient in cough medicines that in high dosages can cause dizziness and hallucinations, drowsiness and loss of motor skills. Finally Milligan also had Chlorpheniramine in his system. Chlorpheniramine is allergy medicine that can cause dizziness, blurred vision, fatigue and a decrease in coordination.

While approaching I-64 Milligan did not see Jana Lause, 53, of Ballwin, Missouri in her Honda Pilot stopped at a red light waiting to turn left onto WB I-64. Milligan at the last minute veered left to avoid the stopped Honda. However blocking his way was a low concrete median/lane divider blocking his way.

Milligan's Chrysler hit the left rear of the Honda, jumped onto the median and then hit and destroyed a Missouri Department of Transportation sign.

When Town and Country Officer Daniel Duddlestone arrived at the crash scene he found Milligan standing next to his Chrysler. Milligan admitted being the driver and told Officer Duddlestone that he swerved to try and avoid the Pilot. The Pilot has left rear side damage. Milligan's Chrysler was severely damaged.

Officer Duddleson also immediately noticed that Milligan appeared to be under the influence of drugs.

This is from the Police crash report:

Officer Duddleston noted that Milligan's speech was slurred and confused and his balance was unsure. Milligan failed a number of field sobriety tests. He was arrested, booked and then taken to Mercy Hospital for a blood draw.

Milligan's record:

01/13/04	Moving Violation reduced to Loud Muffler \$175 fine	MO Highway Patrol
01/22/04	Moving Violation reduced to Loud Muffler \$80 fine	MO Highway Patrol
01/14/08	Speeding Pled guilty fined \$80	MO Highway Patrol
06/10/09	Moving Violation reduced to Illegal Parking \$225 fine	St. Charles CO SO

Kenneth Milligan

OUTCOME: The DWI-Drugs was amended to a lesser charge of Careless and Impudent Driving. The Improper Lane Use (driving onto the median) was reduced to Illegal Parking. On April 6, 2018 Milligan pled guilty to Careless and Imprudent Driving. He was fined \$225. He also pled guilty to Illegal Parking and fined \$225 and pled guilty to Following too Close and was fined \$225,

DRUNK DRIVES OFF I-64 AS CAR CATCHES ON FIRE: On Monday night July 10, 2017 Cameron Epting 22, of Florissant had already had by his own admission just consumed 7-shots of Tequila and two beers when he got behind the wheel of his car, and headed home on I-64 from St. Charles planning on going north on I-270. Neither he nor the car quite made it to I-270.

He later told officers he had been drinking for 4-to-5 hours.

Epting, driving his Jeep Cherokee, had trouble negotiating the I-270 exit from EB I-64 at about 11:40 PM. He drove off the ramp first hitting a mile marker sign, then striking an exit sign. Next his Jeep overturned several time and then caught on fire.

Epting managed to get out of the burning car. His face was covered in blood as he climbed up the culvert back to the highway where he flagged down a passing motorist.

That motorist called 9-1-1. While waiting for the emergency responders Epting made an admission to the woman who had pulled over to help. He made an admission to the Good Samaritan that he had too much to drink. She got a towel from her car so Epting could wipe the blood off of his face.

When Town and Country Officer Becker arrived the Jeep was fully involved in flames to the point that Becker had no idea the color of the vehicle for his report.

Epting told Officer Becker that he made a bad decision driving drunk. He would add that he was “too drunk” to remember how the crash happened.

He was arrested for DWI and Improper Lane Use and transported to Mercy Hospital for treatment of his injuries.

At the hospital in an interview with Officer Becker he was off 2-days when asked the date, off 90-minutes when asked what time it was and said he thought he was in the City of St. Louis. This is also from the police report:

A blood draw done at Mercy Hospital. The lab results on that showed Epting’s BAC level at .15%.

OUTCOME: On June 18, 2018 Epting pled guilty to DWI, but walked out of the courtroom with no conviction. Town and Country Judge Andrea Niehoff placed Epting on a No-Record, No-Fine and No-Points 2-years SIS probationi term. He did plead guilty to Improper Lane Use and was fined \$225.

CHESTERFIELD RESIDENT STOPPED ON CLAYTON ROAD FOR DWI-D: It was 5:30 in the afternoon on Thursday July 20, 2017 when Town and Country Police Officer Daniel Duddleston was on patrol and noticed that a gray Nissan Sentra stopped in front of him on EB Clayton Road at Mason Road was partially in the straight lane and the left turn lane. The driver was blocking enough of the left turn lane that drivers wanting to make a left turn were backing up behind the Nissan.

When the light changed to green the driver, Cynthia S. Nettles, 52, of Lochrest Drive in Chesterfield , continued east on Clayton Road with Officer Duddleston following. Further east near Chapel Hill and Dryridge, Nettles weaved into the center lane and nearly struck a WB car preparing to make a left turn.

Officer Duddleston then turned on the lights and siren to stop the Nissan. Instead of pulling to the right, Nettles slammed on the brakes causing Duddletson to slam on the brakes of the patrol car. Nettles then pulled into the center left turn lane and stopped.

Officer Duddleston immediately detected signs that Nettles was impaired but she did not have the smell of intoxicants on her breath. She stated that she had taken one Citalopram tablet seven hours earlier. Citalopram is an antidepressant. Side effects include memory and concentration problems, drowsiness and oddly enough insomnia plus another list of problems that would not be associated with impaired driving.

This is from Officer Duddleston's report:

After doing poorly on several field sobriety tests, Nettles said she would submit to a blood draw. A blood draw at Mercy Hospital was later tested at the Highway Patrol labs and showed the presence of Citalopram.

At a later date Nettles was issued a citation in Town and Country Municipal Court for Driving While Intoxicated-Drugs.

OUTCOME: We could find no prior traffic record on Nettles. On September 26, 2018 Town and Country prosecutor Ed Sluys amended the charge to Careless and Impudent Driving. Nettles pled guilty and was fined \$225. Under the circumstances this action by the prosecutor made a lot of sense.

DAY AFTER NEW YEARS THEFT OF \$2,618 WORTH OF JEANS FROM SAKS RESULTS IN PROBATION FOR A REPEAT OFFENDER: It was Monday, January 2, 2017, a holiday but not for stores or thieves. The manager of the Saks Fifth Avenue Off 5th store in the St. Louis Premium Outlet Malls was alerted to the theft when theft sensors sounded as the suspect left the store with 22 pairs of Men's PRP jeans that had been on a display table. The jeans were valued at \$2,618. He saw a female and a male walk to the parking lot and enter a Silver Ford Explorer. He wrote down the license plate number and called the Chesterfield Police.

The thefts were recorded on a video security system.

The license plate on the Ford checked to Hertz Rent-a-Car. The person who rented the car told detectives that they had lent the car to Shameika McClendon, 31, of Hanley Hills in North St. Louis County. Additional investigation showed that McClendon had also hit the Victoria's Secret Store in Lake St. Louis.

Prior mug shots of McClendon matched the suspect in the video. The Saks manager identified McClendon from a photo lineup on March 7, 2017. He identified McClendon as the thief. A police computer "wanted" was issued for McClendon. On May 6 she was arrested by the St. Ann police as a fugitive from Chesterfield. At 1 AM she was picked up by a Chesterfield Officer and driven to the Chesterfield PD where she was placed in a holdover cell.

On May 7, 2017 Officer Pollman interviewed McClendon. She said she had nothing to do with any thefts. Officer Pollman then showed her video of her stealing the jeans. McClendon then stated, "I'm not going to incriminate myself." She added her lawyer would handle this.

An arrest warrant charging her with One-Count of Felony Theft was issued.

Recent mug shots of McClendon with a wig:

May 8, 2017

October 16, 2018

And one without the wig:

Sept. 28, 2017

Here is her arrest and conviction record that we could find:

01/10/07	Felony Stealing Probation revoked 5-years prison	Cape Girardeau PD
03/03/10	Stealing (Ord violation) fined \$410	Ellisville PD
12/12/10	Felony Stealing Sentenced to 1-year jail	St. Louis CO PD
04/13/11	8-Counts of Felony Rec Stolen Property 1-year jail	St. Louis PD
05/27/11	2-Counts Forgery (Macon CO MO) 7 years jail but Placed on 5-years probation	MO Hwy Patrol
01/13/12	2-Counts Felony Stealing 5-years probation	Lake St. Louis PD
01/02/17	Felony Stealing	Chesterfield PD

McLendon also has 14 traffic charges pending in St. Louis, Pagedale, Ferguson and Florissant. She has two minor non-traffic charges pending in Hanley Hills.

OUTCOME: Despite being placed on probation four other times for felonies, on 03/15/18 she pled guilty to the Felony Stealing at Saks and was placed on a 5-year (SES) probation once again by St. Louis County Circuit Judge Nancy Watkins McLaughlin.

Judge McLaughlin believes a 5th probation term for someone with 16 prior convictions (15 felonies) is just right. She is apparently a believer in The Church of the Fifth Chance.

DRUNK DRIVING, DRIVING OFF ROAD, IN A ONE-CAR CRASH, REFUSE TO TAKE A BREATH TEST COMBINED EARNS DRIVER AN ACTUAL DWI CONVICTION

Jesus De Los Santos, 23, of St. Louis had already hit something earlier in the evening. His front wheel rim was bent and the bumper on his 2006 Dodge Durango was missing when Town and Country police officer Katie Exline observed him on May 23, 2015 at 3:30 AM.

It was a Friday night into a Saturday morning when Exline on the midnight shift observed De Los Santos on WB I-64 past the Maryville Center exit, drive off the road and almost hit a number of construction warning barrels on the shoulder.

She stopped the Dodge Durango large size SUV on I-64 and immediately noticed fresh damage to the vehicle. There was front end damage, the front was in the rear of the vehicle and the tire rim was bent. De Los Santos was dirty with oil stains and he was bleeding from scraps on his arms.

De Los Santos was also clearly intoxicated. This is from Officer Exline's report:

He failed field sobriety tests and was arrested for DWI and Improper Lane Use.

At the police station he refused to be interviewed or to take a breath test.

fined \$664. He paid the \$664 immediately but as of November 2018 he had not paid the \$97 for improper lanes use.

It is interesting to note that in 2015 De Los Santos gave the Highway Patrol his address as Espino's Mexican Bar and Grill 17409 Chesterfield Airport Road in Chesterfield.

SPEEDING, ARMED DRUNK DRIVER GET NO-FINE, NO-POINTS PROBATION: On Friday night November 9, 2017 at about 11:03 PM Town and Country Officer Yaakub clocked a Chevy Cruze speeding 71 MPH in a 50 zone on Highway 141 near Clayton Road. The driver picked up speed to 75 MPH as the vehicle weaved from the driving lane to the shoulder back to the driving lane.

Officer Yaakub stopped the car on Highway 141 at Conway Road and contacted the driver Tamichael Boyd, 27, of Hazelwood, Missouri. Officer Yaakub immediately noticed Boyd had signs of intoxication. This is from the police report:

BREATH	ODOR OF ALCOHOLIC BEVERAGE: <input type="checkbox"/> FAINT <input type="checkbox"/> MODERATE <input checked="" type="checkbox"/> STRONG <input type="checkbox"/> NONE
	ODOR OF MARIJUANA OR CHEMICAL: <input type="checkbox"/> YES <input checked="" type="checkbox"/> NO

Officer Yaakub asked Boyd to step from the car and also asked if he had any weapons on him. He stated that he had the clip to a semi-automatic handgun in his back pocket and the gun was in the glove box of the car. (It is against the law for an intoxicated person to be in possession of a handgun, but not ammunition.).

Boyd failed several field sobriety tests and refused to take several others including a field breath test. It was also determined there was a fugitive warrant from another police agency for Boyd's arrest on a charge of trespassing.

He was taken to the Town and Country Police Station where he refused to take an official breath test. He was release to the other police agency on citations for DWI, Speeding and Improper Lane Use.

OUTCOME: On August 18, 2016 Boyd pled guilty in Town and Country Municipal Court and was placed on a 2-year No-Fine, No-Points probation by Judge Niehoff. He pled guilty to Speeding and was fined \$225. For weaving from the lane to the shoulder the Improper Lane Use charge was amended to a non-moving Illegal Parking violation. Boyd was fined \$150. This is the fourth time Boyd had more serious criminal or traffic charges reduced to littering or illegal parking. Apparently Judge Niehoff is a believer in the Church of the Fifth Chance.

TOWN AND COUNTRY OFFICER FOLLOWS DRUNK DRIVER FROM FRONTENAC TO DES PERES. It was a Friday night into a Saturday morning on November 19, 2016. Town and Country Police Cpl. Fowle had just patrolled the eastern section of EB I-64 in Town and Country. Cpl. Fowle was forced to continue east into the City of Frontenac to exit at Spoeede Road to turn around.

He was on the WB lanes of the North Forty Outer Road driving toward the entrance ramp to WB I-64 when he heard a rapidly accelerating vehicle overtake him. He then observed a silver Hyundai pass his police car on a double yellow line. The car then missed the entrance to I-64. The driver turned around and came back.

Cpl. Fowle followed as the driver weaved from lane to lane on I-64 and then on SB I-270. Cpl. Fowle finally stopped the car on SB I-270 near Manchester Road.

There he contacted the driver Danny Cox, 50, of Imperial, MO (not to be confused with retired St. Louis Cardinal starting pitcher Danny Cox, who lives in Freeberg, IL.)

Upon contacting Cox, Cpl. Fowle immediately observed signs that Cox was intoxicated. Cox agreed to take an unofficial field breath test that showed he was drunk. He admitted just having three beers, but thought he was in the North County City of St. Ann.

This is from Cpl. Fowle's police report:

BREATH	ODOR OF ALCOHOLIC BEVERAGE: <input type="checkbox"/> FAINT <input type="checkbox"/> MODERATE <input checked="" type="checkbox"/> STRONG <input type="checkbox"/>

He was also placed on 2-year SES probation, meaning he received points on his license. The Improper Lane Use and Fail to Signal were both amended to Illegal Parking with each carrying a \$225 fine.

DRUNK DRIVER REFUSES TO TALK TO POLICE OR GET OUT OF THE POLICE CAR UNTIL HE KNOWS SOMEONE WOULD TAKE CARE OF HIS DOG:

On Saturday November 19, 2017 at 7:09 PM Town and Country Police Officer Duddleston while on patrol on Mason Road near the southern city limits observed a 2005 maroon Hyundai sedan being driven recklessly entering SB Mason from Amonte Drive, which is the entrance to the Raintree Pre-School.

Mason Road and Amonte Drive (Raintree School)

Officer Duddleston managed to get the driver to pull over on Manchester Road just west of Mason Rd.

Location of stop, WB Manchester just west of Mason Rd.

Officer Duddleston could tell that the driver was impaired, and much later was identified as Scott Toothman, 38, of Kirkwood, MO. Toothman said he had “a couple of beers.” That was the last of Tootman’s cooperation. He refused to identify himself or produce a drivers license. He went from using obscenities to crying.

He refused to tell Duddleston who he was until someone called his ex-wife (imagine that...”ex-wife”) and have her take care of his dog. Duddleston got Toothman’s phone and found his ex-wife and called her. She agreed to have their son go and look after Toothman’s dog and Toothman briefly spoke to his son. The ex-wife also identified Toothman giving the officer his full name and date of birth.

At the police station Tootman refused to get out of the police car until the police contacted his son and were sure be was taking care of his dog. Toothman apparently forgot that he spoke to his son 10 minutes earlier.

These sections are from Officer Duddleston’s report:

Upon arriving at the Town and Country Police Station, Toothman refused to exit my patrol vehicle. Toothman stated he would not exit the patrol vehicle unless he knew his son would look after his dog. I told Toothman he already spoke with his son approximately ten minutes ago. Toothman did not recall speaking to his son.

Toothman's eyes

Toothman was issued citations for DWI, Operate a Motor Vehicle W/O a Drivers License and Improper Lane Use.

Toothman did eventually produce an expired Oklahoma drivers' license and the car he was driving has Illinois plates. While he lives at 11204 Big Bend in Kirkwood.

This is the rental property at the address given by Toothman at 11204 Big Bend across the street from Meramec Community College.

OUTCOME: We could find no prior records on Toothman in local data bases. On July 5, 2018 Toothman pled guilty to DWI in Town and Country Municipal Court to DWI. Judge Niehoff fined him and issued cost totaling \$421. Toothman was not represented by a lawyer and since he did not pay a member of the local bar he received no amended charge with the DWI going on his record with full points. He also pled guilty to the No Operator License charge and was fined \$150. He pled guilty to the Improper Lane Use charge and was fined \$100.
