NARRATIVE

In reference to report number 16-1158 for an Assault report from the Hangar, located at 127 Chesterfield Business Parkway, I wish to state the following:

On 03-04-16, I was advised of an Assault reported at the above location on 03-03-16. Upon receiving this report, I responded to the Hangar, where I made contact with [REDACTED] R [REDACTED] C [REDACTED], who I identified myself to as a Chesterfield Detective, and asked to discuss this report.

C [REDACTED] agreed to speak with me concerning this report, and escorted me to the rear kitchen area of the business, where I asked C [REDACTED] to explain to me what he witnessed on the evening of 03-03-16 inside of his business.

C [REDACTED] stated that a male and female patron entered into his business together at approximately 2030 hrs, and had several drinks. C [REDACTED] stated that the male appeared to have been drinking prior to his arrival, but not the female. C [REDACTED] stated throughout their time inside of his business, the male was very disrespectful, and argumentative with the female, and at one point, C [REDACTED] stated he saw the male slap the female across her chest with the back of his open hand.

C█████ further stated that the pair remained in his bar after the assault, and continued to argue with the male being the instigator. C█████ stated when the couple left, he realized that their bar tab had not been paid, so he went out onto the parking lot and located the couple inside of a ██████ truck, where C█████ stated he saw the male with his hand around the female's neck. C█████ stated the male saw him standing near, and exited his truck and asked what he wanted, and C█████ stated he told the male he hadn't paid his tab, and the male stated he'll be back in. C█████ stated that the male reentered his truck, and C█████ reported as he was walking back towards the bar, he turned around and saw the back of the female's head going back and forth, as if the male was banging her head against the passenger door window. C█████ stated the male did pay his tab by credit card, and at one point made the statement, "Every now and then, you got to keep them in line."

I asked C█████ for a description of the female, and he described her as a very ██████, and reported that she was ██████. The male was described as being white with dark hair. C█████ also advised me that the male was "bragging" about working for ██████, and that he should be thanked for his service. C█████ also reiterated that the male was very disrespectful and appeared angry with the female.

C█████ also informed me that a patron in the bar witnessed the male's behavior, and stated that he was going to call the ██████ to report the male's behavior. No information was provided for the patron.

It should be noted that after C█████ provided me with the above assault report; C█████ confirmed that he did not call for police, or advise anyone to call for police.

It should also be noted that I asked C█████ to submit a written statement, and C█████ stated he was not comfortable with submitting a written statement, but was fine with answering questions about the incident.

In regards to the male and female's vehicles; I asked C█████ where each vehicle was parked and C█████ pointed to the first isle north of his bar, and pointed to the second parking space where he said ██████ was parked, and then pointed to the seventh parking space where ██████ was parked.

I asked C█████ if he ever saw either person inside of his bar before, and he replied no. C█████ advised me that ██████ could also provide a statement, and that she was currently working.

I asked C█████ if I could speak with ██████, and he complied.

The [REDACTED] was identified as [REDACTED] F [REDACTED], who responded to the rear area and reported seeing and hearing the male being very loud and argumentative with the female, whom F [REDACTED] described as sweet, and non-combative. F [REDACTED] stated that the male was loud and would argue at random with the female, and appeared to be "bullying" the female, which lead F [REDACTED] to purposely make contact with the couple and ask how they were doing, in an attempt to stop the male from arguing with the female, and also advised the male that he needed to calm down.

F [REDACTED] also reported that she witnessed the female crying at one point, and appeared very upset. F [REDACTED] also stated that the couple appeared to have been drinking prior to their arrival, and advised me that the female informed her that she was a [REDACTED].

F [REDACTED] advised me that the male did carry the female to the bathroom on one occasion due to her having a boot on one foot. But F [REDACTED] reported later as the couple was leaving; the female walked out first and appeared to be upset, and the male yelled, "If you leave, you'll never see me again." F [REDACTED] stated the male left behind her, and returned a short while later to pay his tab.

It should be noted that this department was notified of this incident by Monarch Fire Chief Charles Marsonette, who was not present at the Hangar; but was later notified, then contacted this department to investigate. Chief Marsonette also identified [REDACTED]:

The male [REDACTED] was identified as:

[REDACTED]

The female [REDACTED] was identified as:

On 03-04-16, P.O. Flushing, DSN 271, and I responded to [REDACTED] [REDACTED], where we made contact with [REDACTED], who I identified myself to

as a Chesterfield Detective, and advised her of this report. Upon hearing this report of her being assaulted at The Hangar; ██████ appeared to be in disbelief while pausing for a moment, then asked, "Is this a prank?" ██████ then asked if we were acting with ██████ because of current work related issues.

I advised ██████ that this was a true assault investigation, in which she was identified as the victim. ██████ appeared stunned by the details of this investigation, and denied ever being assaulted by ██████. I asked ██████ to replay the previous evening prior to her arrival at the Hangar.

██████ stated that she and ██████ met earlier in the evening to discuss some work related issues, then decided to go to the Hangar for drinks, and to further their previous discussion. ██████ stated they arrived later in the evening, but she wasn't sure of the time, and stated that she and ██████ had several discussions involving work and personal issues that ██████ was dealing with, which at times became loud, and argumentative, except when ██████ confided about some personal issues, then she would cry.

It should be noted that when ██████ disclosed those personal issues with me, she began to fight back tears.

██████ stated at no point did their arguments and disagreements turn violent, and at no time did ██████ assault her; that night or previously. ██████ described ██████ as a friend of approximately 20 years, and someone she could confide in.

I asked ██████ why would someone report her being assaulted, and ██████ stated she didn't know, but added the only time she was startled that night was when the bar owner caught she and ██████ off guard by opening ██████ truck door and asking them to pay their bill. I asked ██████ to elaborate, and she provided the following statement:

██████ stated she and ██████ were sitting in his truck, with her sitting in the passenger seat turned facing ██████, when the passenger side door "flung" opened, which startled her, and the owner was standing there angrily demanding they pay their bill. ██████ stated she and ██████ looked at each other, and ██████ stated to ██████ she thought they paid their bill. ██████ stated that ██████ did reenter the bar and paid their tab, and after that, they both left in their vehicles, and met a short while later on the Premium Outlet Mall parking lot for a few minutes to talk before leaving.

I asked ██████ if she had been drinking prior to arriving at the Hangar, and while at the Hangar, and she replied yes. I asked ██████ for the

drinks and the amount she consumed, and she stated some beers, but couldn't remember how many.

I asked [REDACTED] if she felt any pain or soreness when she woke up this morning, and she replied no, and offered to have P.O. Flushing to view her chest and neck area upstairs to show no bruising.

It should be noted that [REDACTED] was wearing an oversized pullover shirt that provided a clear view of the area just below her collarbone and her entire neck. No bruising or discoloration was observed.

[REDACTED] reiterated that [REDACTED] has never assaulted her; that night or on any other occasion.

I asked [REDACTED] for the nature of her relationship with [REDACTED], and she stated that they were friends and [REDACTED] only. I asked [REDACTED] if there was any relationship of a romantic nature between them, and she replied no, and stated that [REDACTED] has a family.

I asked [REDACTED] if it was possible for her to have drunk so much that she wouldn't remember being assaulted, and she replied no, and re iterated that they may have been loud, and argumentative at times, but she was not assaulted.

I asked [REDACTED] if she would submit a written statement, and she declined.

I provided [REDACTED] with my business card and asked her to contact me if she had any questions or any additional information.

Upon my return to this department, I contacted [REDACTED] by phone, who was aware of this investigation. I asked [REDACTED] if we could speak in person in regards to this investigation, and he stated that he could meet with me at 0800 hrs on 03-05-16 at this department.

On 03-05-16, [REDACTED] arrived at this department and was escorted to Conference Room #105, where I advised [REDACTED] that even though he was not under arrest; I was going to advise him of his Miranda rights. [REDACTED] stated he understood his rights and agreed to waive them, which is indicated by his signed rights waiver form that was later entered into evidence.

In regards to the Hangar on 03-03-16; [REDACTED] verified that he and [REDACTED] arrived separately at the Hangar to discuss work related issues and had several beers each. [REDACTED] stated at times, [REDACTED] would get upset about issues discussed, but denied ever assaulting [REDACTED]; inside the business or outside. [REDACTED] also verified that [REDACTED] became emotional and began crying while discussing a personal issue with him. [REDACTED] further stated

at one point, ██████ became so upset that she walked out of the bar, and ██████ stated as she walked out the bar, he told her, "If you're gonna treat me like this; I don't wanna meet you no more."

██████ stated he got up and left behind her, and they both went and sat inside of his truck and talked before the bar owner, who appeared and opened up the passenger side door to his truck, and held up a receipt and advised them to pay their bar tab. ██████ stated he reentered the bar and paid his tab and a patron who was sitting at the bar told him, "Don't worry, we know how to take care of guys like you ██████", and then stated, "We know the chief of police." ██████ stated he replied, "It doesn't take a far reach to come up with the chief of Chesterfield name." ██████ stated he then left.

I asked ██████ why people would report that he was arguing with ██████ and physically assaulted her, and ██████ could only point out that the bar owner didn't seem to like it when he carried ██████ to the bathroom because of the boot on her foot. ██████ stated the bar owner may have thought he was "Showboating."

██████ also advised me that he and ██████ were sitting at the bar near a jukebox that was playing, so he didn't understand why they were reported as being loud and argumentative, but stated that their discussions did have some "Intensity" to it.

In regards to the bar patrons; ██████ stated that upon their arrival; there were two patrons sitting at the bar and a table that was full. Upon leaving; there were only two patrons sitting at the bar.

██████ stated after he paid their tab, he and ██████ left in their vehicles, and met a short while later on the Premium Outlet Mall parking lot to talk before he left for home.

I asked ██████ if he had been to the Hangar prior to March 3rd, and he stated yes, and may have been there with ██████ on another occasion.

I asked ██████ for the nature of his relationship with ██████, and he stated they are friends and ██████, and denied any relationship of a romantic nature.

██████ left at the end of the interview.

██████ rights waiver form and a DVD copy of the interview were later entered into evidence.

On 03-08-16; Chief Marsonette responded to this department and advised of 2 additional witnesses:

S. C. [REDACTED]
M. B. [REDACTED]

Chief Marsonette later provided copies of written statements he received from C. [REDACTED], F. [REDACTED], C. [REDACTED] and B. [REDACTED], along with a copy of [REDACTED] receipt which showed a tab of \$38.24 and a time of 2212 hrs. Chief Marsonette also provided exterior video surveillance footage he seized from Lindell Bank located at 169 Long Rd, which captures a portion of the parking lot where this reported assault took place.

It should be noted that I viewed the surveillance footage which is dark and is negative for evidentiary value, due to the darkness which makes it impossible to determine if [REDACTED] vehicle is captured.

In an attempt to enhance the surveillance footage; Det. Brandt, DSN 223, and I responded to the St. Charles Co. Police Dept. Cyber Crimes Unit, where we made contact with Det. Larry McCain who was advised of this investigation. Det. McCain viewed the surveillance footage and advised that no enhancement could be made. The surveillance footage was later entered into evidence.

[REDACTED] receipt, along with the written statements provided by Chief Marsonette from C. [REDACTED], C. [REDACTED], B. [REDACTED] and F. [REDACTED] were later entered into evidence.

On 03-08-16, I left voicemails for B. [REDACTED] and C. [REDACTED], asking them to contact me.

In an attempt to locate other video surveillance; a canvass of the following businesses located inside the same strip mall proved negative. The following businesses were contacted:

Cigars
Emily Lucas Photography
Gundaker
Prom Shop
Mia Grace Bridal
Us Title
Embroid Me
Treasure Room
Bal Coeur Cleaners
Law T St. Louis
Sylvan
Rachels Grove
Towne Center Dental
Tack Trunk

Vitos
Fischers Sporting Goods
Webers
Strotheide
Stephaninas Express
El Maguey

It should be noted that Yoga, located at 130 Chesterfield Business Parkway was closed. My business card was left inside the door.

On 03-22-16, I spoke with C█████ by phone, and asked C█████ when he and I can discuss this investigation, and C█████ agreed to meet with me at this department on 03-22-16.

On 03-22-16, C█████ arrived at this department, where I escorted him to Conference #105 to discuss this case.

C█████ informed me that he and B█████ are friends, and arrived at the Hangar at approximately 2030 hrs, where they observed a couple who were "making out" one moment, and arguing the next. I asked C█████ to describe "making out", and he described them as being embraced in each other's arms and kissing.

C█████ stated that the couple left the bar several times for short periods of times, then would reappear, and exhibited the same behavior throughout their time at the bar.

In reference to the nature of the arguments, C█████ stated that he heard the female tell the male something to the effect of, "I'm leaving you" and "why don't you go back to your wife and kids". And on another occasion, the female got up to leave, and the male grabbed at the back of her top outer clothing in an attempt to stop her, but she continued out of the bar with the male behind her. C█████ also stated he heard the male tell her, "If you walk out the door, we're over."

C█████ advised that on one occasion, the male looked over at him and B█████ and told them, "What the hell you're looking at", and B█████ asked him to calm down, and advised that they'll call the police, and also stated that the chief of police lived in his sub division. C█████ reported that the male pulled out an ID card and stated that he was a ~~state~~ ~~officer~~, and stated the chief was a friend of his, then held up his cellphone and said call him.

C█████ also stated that B█████ told the male that he was a disgrace to the city, and that the male asked ██████ to step outside, which ██████ did not.

C [REDACTED] advised that although he disapproved of their behavior; he witnessed no violence between the two, and heard no threats.

I asked C [REDACTED] if he would submit a written statement, and he stated that he provided one to Chief Marsonette.

A copy of C [REDACTED]'s interview was entered into evidence.

On 03-28-16, I was advised that B [REDACTED] responded to this department and was interviewed by Det. Brandt. See Det. Brandt's supplement.

Due to [REDACTED] denying being the victim of an assault, and having no evidence to support an assault charge; [REDACTED] [REDACTED] was not booked in this case. However, this report will be forwarded to the City of Chesterfield Prosecuting Attorney to review.

NARRATIVE

In reference to the original report of an assault, I wish to state the following. On 03/28/2016, I was advised that Mi B was in the lobby and he needed to give a statement. I responded to the lobby and contacted B. I introduced myself and escorted him to an interview room. B informed me while walking to the interview room that he had already given his statement to Chief Marsonette. I advised B that we have to do our own investigation so that is why we needed him to come in.

I began by obtaining B pedigree information. I explained to B that I just needed to get his statement about what happened that night at The Hangar Grill. B told me about what happened.

I advised B that I wanted to go back to the beginning. I asked B who he went to the bar with. He stated S C. I asked if he knew if anyone had talked to C yet. He said he believes he already gave a statement. I asked B if he was friends with B C. He said yes. I asked him if that is how we got his information. He said he thinks so, he is not positive, but he got a call from he thinks the captain or someone at the fire department.

He stated that he and C were out looking at rental property that evening. He stated that they had dinner and drinks in the City and then headed to The Hangar Grill for more drinks. When B and C arrived, the bar was basically empty. He stated that the only other customers in the bar were a male and a female sitting at the bar and the female had some sort of boot or cast on her leg.

I drew a picture of the bar and asked B where everyone was sitting. B said the male was sitting at the bar closet to the door and the female was to his right. There were two empty seats and then B was closest to the female and C was to the right of B. The bar owner

B [REDACTED] and his girlfriend were standing behind the bar just to the right of C [REDACTED]. B [REDACTED] stated that there was another female employee but he was not sure where she was at.

B [REDACTED] stated that he believes they arrived somewhere around 9:00pm, but he is not 100% sure on the time. B [REDACTED] stated that the male and female at the bar were arguing. He said that it was loud enough for him to hear and he said that he is hard of hearing. I asked B [REDACTED] what exactly he heard. He said that he heard the female tell the male, "Why don't you go back to your wife." I asked if he heard what the male said. He said he was not for sure. I asked if he heard any other specific comments. He said no.

B [REDACTED] said that he asked C [REDACTED] and C [REDACTED] if they heard what was going on between the two. They both said yes. B [REDACTED] said that C [REDACTED] had told him that the male was a [REDACTED] or something at [REDACTED] down the street.

I asked B [REDACTED] if he observed any physical contact between the two. He stated the only thing he observed was when the female stood up and started to leave the male stood up and put his arm out trying to stop her. I asked B [REDACTED] if he succeeded. He said I guess not because she walked out the door and the male followed her. B [REDACTED] also said that she was crying a lot.

When the male and female left the business, C [REDACTED] girlfriend told C [REDACTED] that they did not pay their bill. B [REDACTED] said that C [REDACTED] went out to stop them.

I asked B [REDACTED] if he personally observed anything that happened outside. He said no, and started to tell me what he had heard happened. I advised B [REDACTED] that I only wanted to know what he personally saw and heard. He said that he did not observe anything that happened outside.

I asked B [REDACTED] how long he believes C [REDACTED] was outside. He said maybe 4-5 minutes, he was not for sure. I asked who came back in first. He said again he was not for sure but he believes it was the male.

B [REDACTED] said that the male came back in and threw his credit card on the bar. B [REDACTED] said that he stood up and the male asked him if he had a problem. B [REDACTED] said that he told the male that he is friends with the Police Chief and he doesn't think the Police Chief would like the way that he is representing Chesterfield. The male replied, back "Well I'm friend's with the Chief too so why don't you go ahead and call him."

B [REDACTED] stated that the male retrieved his credit card and left.

I recapped that B [REDACTED] never saw any physical confrontation between the male and female that night inside or outside of the bar other than when the male stuck out his arm trying to stop the female from leaving. He stated that was correct.

B [REDACTED] stated that he doesn't want to get anyone in trouble. He said that he did not even want to get involved but Chief Marsonette contacted him asking him for a statement. B [REDACTED] said, "I didn't want to get involved, if this guy is a great dude and what if this guy was just having a bad day, he shouldn't get in trouble."

I asked B [REDACTED] if he would be willing to make a written statement. He stated that he doesn't write well and said that he could send me a copy of the statement that he already provided Chief Marsonette. He said that I wouldn't be able to read it if he wrote it out. I advised him that would be fine. I told him to make sure he signed it and I provided him with my email address and asked him to send it to me today. He said that he would. I thanked B [REDACTED] for his time and escorted him out.

The male and female that B [REDACTED] was referring to in the report is [REDACTED] and [REDACTED].
