

CHESTERFIELD PARENTS GO ON VACATION AND 35-YEAR-OLD SON INVITES HIS PROSTITUTE AND HEROIN SUPPLIER TO MOVE IN. When you randomly pick cases to follow and obtain police reports you never know what you are going to get. This had to be one of the best in recent years. If this wasn't bad enough having a hooker-drug dealer move into your parents home the idiot son calls the cops to get the hooker-girlfriend removed from the house and then gets arrested.

On Sunday morning August 23, 2015 Ryan Michael Leeman, 35, of 13493 Coliseum Drive in Chesterfield shot up some heroin and passed out. The heroin was supplied by his prostitute Christian Michele Duvall, 40. Duvall in attempt to revive Leeman slapped him around a little and then got ice and frozen vegetables from the freezer to apply on his face. When he came around he called the cops at 6:24 AM to remove Duvall from the condo.

Eventually the whole story came out. It was something that would make Leeman's parents proud. Here is the whole story. Sometime in May Leeman responded to an escort ad posted by Duvall on Backpage.com. The ad quoted prices as \$100 for 30-minutes, \$150 for an hour and dinner or an all nighter was between \$300 and \$500.

Her ad is still up on Backpage.com. Here is one photo of the five posted.

Beginning in May 2015 Leeman and Duvall had a regular hooker-client relationship. Then in August Leeman's mother and stepfather went on an extended vacation. This caused Leeman to invite Duvall to move in to the condo on Coliseum Drive. According to statements Duvall continued to charge Leeman for sex. This is from Officer Cordia's report.

When I arrived at the Chesterfield Police Department, I took the suspect, Leeman, to the Chesterfield holdover interview room to conduct an interview. When I spoke with Leeman about his relationship with Duvall, he eventually admitted that he met Duvall through her Backpage advertisement where she was soliciting for prostitution. Leeman said he met Duvall through her Backpage advertisement in May of 2015, and has been using her services since then. Leeman said her ad on Backpage promoted her services as follows:

1/2 hour - \$100

1 hour - \$150

dinner and a date or all-niter - \$300 to \$500

While I spoke with Leeman, he said he and Duvall had developed a somewhat friendly relationship over the past three months, but he was still paying for her sexual services. Leeman said he told Duvall approximately three weeks ago that his mother and stepfather were going on vacation, and he knew she was having problems with a living/working location. Leeman said he offered to have Duvall live at his home while his parents were on vacation.

I attempted to conduct an interview with Christian Duvall, but she said she had no information relative to the charges that would be of assistance to me. Duvall admitted that she has been a multiple drug user for the past six years, with Heroin being her drug of choice. Duvall said she also uses Methamphetamine, Crack, Marijuana, alcohol and any other drugs which are provided to her for free by her customers. Duvall admitted she pays for her drug addiction while working as a prostitute.

Leeman was charged with Patronizing Prostitution and Possession of Drug Paraphernalia. Duvall was charged with Prostitution and Possession of Drug Paraphernalia.

After Duvall's August arrest she managed to get arrested again. Here is her record that we could find:

09/29/15	Prostitution	Kirkwood PD

PG 09/08/10 120 days jail, but placed on 2-year probation term

There is another drug addict by the name of Jennifer Ashley Griffin who has used the alias Christian Duval and has served time for Drug Dealing.

OUTCOME: Things seem to go better for the Chesterfield resident's 35-year-old son than it did for the hooker. Leeman on 01/19/16 pled guilty in Chesterfield Municipal Court to a reduced charged from Patronizing Prostitution to Peace Disturbance and was fined \$375.50. The drug charge was reduced to "Littering." Leeman pled guilty and was fined \$300.50.

Duvall was back with her boyfriend/client on January 19 in court. No one reduced her charges. She pled guilty to the Prostitution charge and was fined \$150.50. She also pled guilty to the drug charge and was fined \$250.50.

Of course if Judge Brunk had made the fines any higher for Duvall, he would have been patronizing prostitution, because the only way she could have paid for them was find more "johns."
