September 28, 2023

### **CHESTERFIELD DETECTIVES ARREST MAN STALKING A JUVENILE AT A HOCKEY GAME PRETENDING TO BE JUVENILE'S FATHER**

This is a very scary crime. It involves a 52-year-old man from Imperial, MO stalking and dreaming about sex with a 17-year-old juvenile. He was arrested in Chesterfield. Here is the court document with much of the facts.

I, Kevin Restivo, DSN 0338, Chesterfield Police Department, knowing that false statements on this form are punishable by law, state that the facts contained herein are true and documented in report number 23-4047. I have probable cause to believe that on September 23, 2023, within St. Louis County, Chris Faulkenberry, White, Male, 5'08", 211lbs, committed one or more criminal offense(s). |

Count: 01                      STALKING - 1ST DEGREE - 1ST OFFENSE - CLASS E FELONY

The facts supporting this belief are as follows: Victim is a seventeen year old male. Defendant is fifty-two years old. Defendant would routinely go to the victim's place of employment and speak with the victim. This made the victim uncomfortable. Defendant kept asking the victim for his high school hockey schedule to watch him play. Victim refused to give this information. Defendant went to victim's place of employment on a date when the victim was not working and impersonated being victim's father in order to obtain his hockey schedule from a fellow employee. Defendant subsequently went to the victim's hockey game to watch him. All of these actions by the Defendant caused the victim to be frightened and emotionally distressed. The defendant was interviewed by police and admitted that he would go to the victim's employment regularly and speak to the victim. He further admitted that he would sexually fantasize about the victim and would masturbate thinking about him. Defendant indicated to police he was glad he got caught before it escalated.

Due to the nature of the offense, I believe the Defendant poses a danger to the victim and the community at large. A warrant is requested.
