

MASON ROAD CRASHES Through February 2022

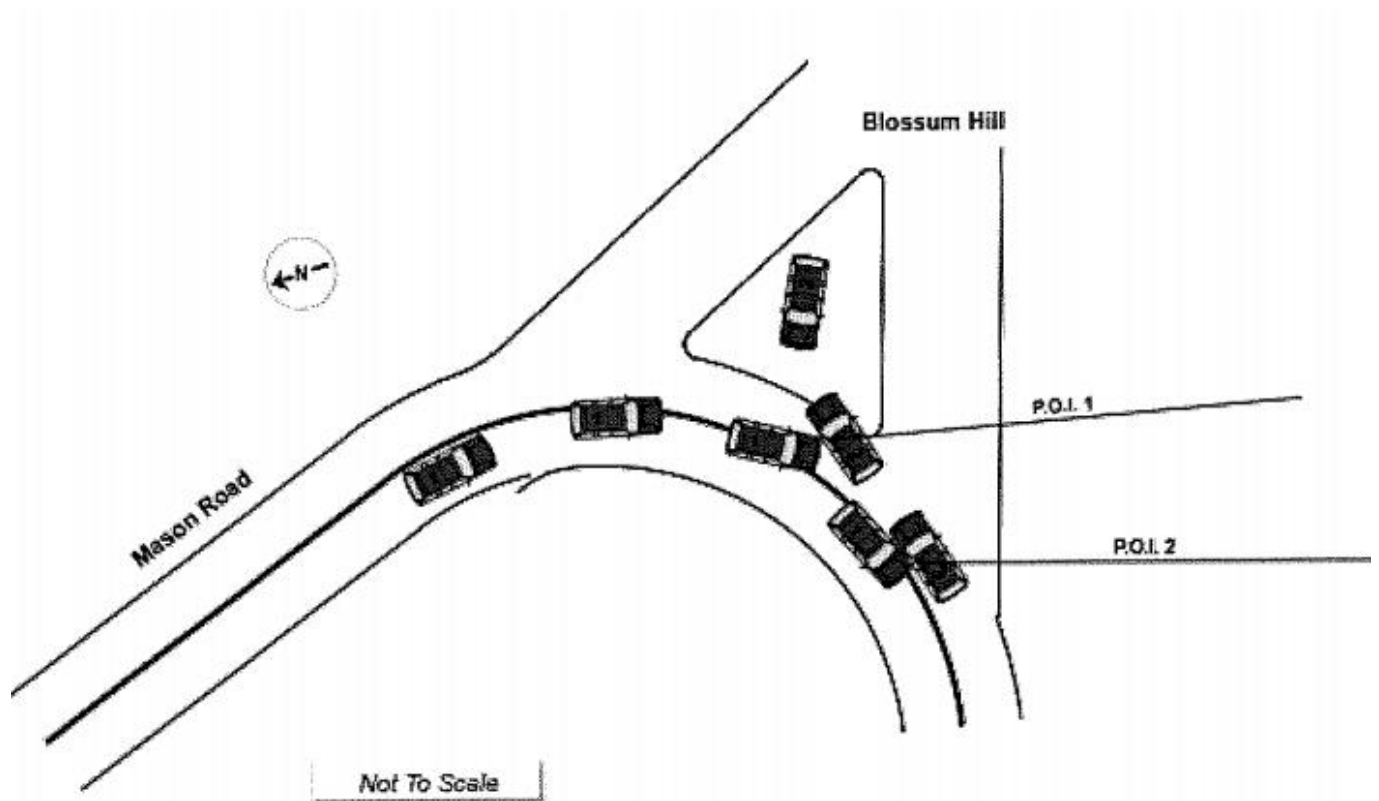

FEBRUARY 26,2022

MASON ROAD CLOSED ON SATURDAY FEBRUARY 26 FOR OVER AN HOUR DUE TO CRASH CAUSED BY TESLA DRIVER. On Saturday February 26, 2022 at 3pm Mason Road was closed for over an hour as Town and Country Police dealt with a three car crash on Mason Road and the curves at Blossom Hill Lane.

Town and Country Police had Mason Road closed just south of Clayton Road. A County Police Officer had Mason closed at the entrance to Queeny Park.

The vehicle that caused the crash was a 2020 Tesla driven by a Town and Country resident. The driver was going south and crossed the center line hitting two NB cars.

This was a high dollar crash. The Tesla hit a GMC SUV and a 2022 Volvo.

Driver 1 stated she was traveling south on Mason Road. As she went around the sharp turn at Blossum Hill, driver 1 stated she didn't know what happened.

Driver 2 stated he was traveling north on Mason Road. As he went around the sharp turn at Blossum Hill, driver 2 stated vehicle 1 crossed over the double yellow lines. Driver 2 stated he tried to avoid vehicle 1, but was struck due to vehicle 1 crossing into his lane.

Driver 3 stated she was traveling north on Mason Road. As she came up to the sharp turn at Blossum Hill, driver 3 said vehicle 1 was coming at her as vehicle 1 had crossed over the double yellow lines. Driver 3 could not avoid the oncoming vehicle 1 and her vehicle was struck by vehicle 1 on the driver side.

Witness 1 stated she was on Mason Road behind vehicles 2 and 3. As those vehicles traveled into the turn, vehicle 1 crossed over the double yellow lines striking both vehicles.

Vehicle 1 and 2 were towed due to damage by McNamara's Towing.

No injuries were reported on scene.

No citation issued!

SEPTEMBER 14, 2021 6:09PM Cadillac going to fast for condition leaves road, goes through fence to visit pasture.

Cadillac going to fast for conditions, leaves road, goes through fence and visits pasture.

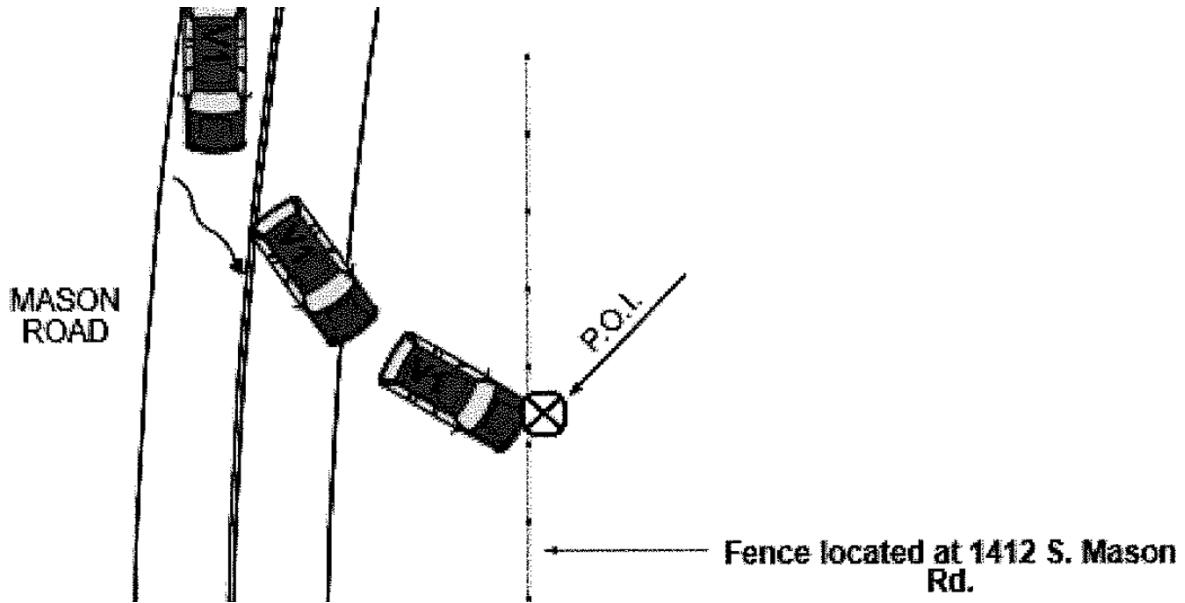

On Tuesday September 14 we didn't go to the Queeny Park Dog Park because it was raining. John C. Segrave was driving an almost antique car, a 2000 Cadillac Escalade south on Mason Road. He was going to his house on Mason Valley Road. The entrance to his subdivision was two blocks away.

Segrave was driving too fast for rain falling on an asphalt road and lost control of the SUV. It swerved to the left, crossed the NB lane, left the road and crashed through the pasture fence that surround the house, pond and horse pasture at 1412 S. Mason Road.

Despite the rain the police investigating the crash did not blame GOD for causing this crash, but blamed Segrave for Driving Too Fast for Conditions.
