I am totally opposed to this! Now I'm wondering if this is why our real estate taxes rise was so high.

I listened to the live stream council meeting on Monday (7/17). Kelli presented the concerns of this group very well. With grace and professionalism, Kelli also handled the rudeness that our mayor projected toward her. Thank you, Kelli for your presentation. And thanks to the other speakers who supported Kelli.

This group has my support.

I am opposed to the high density of the new city of chesterfield. Also we should be informed by the city of chesterfield of these meetings with better signage than they are doing. Real estate size signs posted on busy streets. I was told by Petrie Powell that I should drive slower so I could read them. Also post cards were sent to residents within 250 feet of the mall about the meeting in June. What a joke

He contradicts himself in the interview. He discredits Dillard by saying "it's all about the money". Then he is proud about the money in this DT. Also- what did he mean - "this is unique-imitation is the highest form of flattery"! Huh?

- **Roberta Curtis**

The Chesterfield taxpayers should not be forced into paying for this "progress"

Quality over quantity! Make this a place worth living or people will move out eventually and your plans for short term tax gains will amount to nothing good for the long term.

Agree with all the concerns. We need more green space not more apartments.

- **Joan West**

Don't want this much housing in the mall area ... traffic is already a mess around that area as it is!

- **Matt Robinson**

Jul 17, 2023

This would be terrible for the area.

- **Pamela schwartz**

Jul 17, 2023

We don't need any more apartment buildings in Chesterfield. Please don't pass this rezoning application!!

- **Christopher Faulbaum**

We have not even experienced the impact of all of the, uninhabited apartment buildings under construction. The proposed addition of these high rise structures will ruin the quality of life in Chesterfield. Vote No.

I am majorly concerned about increased population and traffic on Clarkson which is already congested! Congested traffic at present near strip malls on both sides of Clarkson near mall! Also, major congestion. Near Trader Joe's side!!! Too many apartments already under construction!

I have serious concerns regarding this development, especially from safety concerns after adding so much housing to an area that is already overcrowded and overdeveloped. We do not have the infrastructure to support this development. Chesterfield is thriving and additional housing is not needed in our area.

- **Jodi Luetkemeyer**

Jul 17, 2023

This would cause traffic nightmares. It is inappropriate for the Chesterfield area. The Chesterfield Parkway area is already over developed.

This plan for high density living units is not consistent with the rest of Chesterfield and would create multiple traffic issues

Jul 16, 2023

leave the town alone - tpp many towns are losing their identity

- **Greg E ONeal**

Jul 16, 2023

Let's keep Chesterfield a friendly community with no overloading of apartments. All this does is increase the different types of people, not just the family type but the lesser of the wanted type.

- **Anonymous**

Jul 16, 2023

We do not need more residential areas. We need to create more greenspace and places to enjoy outdoor activities.

- **Edward Diffley**

Jul 16, 2023

GET THE MEDIA INVOLVED! Do not wait to see what is going to happen. They do NOT look at traffic or any other thing u til they rezone it. They are very afraid of the news media.

Remember the trailer park. They wanted to clear it out to build apartments.

- **Ben Keathley**

Jul 16, 2023

No subsidies for apartments!

We need to preserve our greenspace. We already have enough residential areas being developed.

- **John Gouveia**

Jul 16, 2023

We all need to take a stand cuz it's our Liberty to do so!

- **Gina Ganahl**

Jul 16, 2023

Chesterfield legislators do not have the funding to work within their budget now (see last year's budget deficit). They certainly don't have the funding necessary to support the infrastructure required by this huge apartment development. They gave long term TIFs to the developer so they aren't contributing to the infrastructure development costs.

- **Afrah S**

I highly condemn the idea of building residential units.

- **marjie saiter**

Thanks for the clear 5 issues we must be sure to have answered, or No to Rezoning Request.

We'll have soviet-style boring buildings all over Chesterfield, besides Parq Apts.

I applaud your efforts & the wording of your petition. I agree that density is a very big issue. There seems to be a conflict of interest between the City of Chesterfield, which stands to make money from high density, & residents, who will lose quality of life from it.

While I'd love to see the empty mall and parking lot redeveloped, it feels too late to use it for mass housing. Chesterfield has allowed trees and trails to be removed for years for mass housing.

I can only hope the newest project will be better, but now we need green space, not more stoplights.

We are building one of those home in the McKelvey Waterfront development at this time but we had NO IDEA that plans existed for that many apartments/renters/cars in the mall project. We DEFINITELY do not want to fight what will be a traffic nightmare at Clarkson & Hwy 40/61.....I don't see how that intersection would ever handle that volume.

WE also agree that renters-vs-home owners dramatically changes the culture of that entire complex give the number of apartments that have already been built or approved over the past 5 years .

The architectural details are absent and this is way too many new residents in an area already afflicted with heavy traffic. I do not support this development as currently proposed. If the

Jul 14, 2023

No massive housing projects at the mall or in Wildwood

- **Lyle Gilbertson**

Jul 14, 2023

I am very concerned with the proposed density of the Chesterfield Mall project. Besides the obvious traffic concerns that need much greater scrutiny, High -rise apartments with this proposed density will create greater security risks, thus taxing our Police more, as well as life-safety risks and a greater burden on Fire District resources. This just isn't the "Downtown Chesterfield" I want now or in the long-term - dense, up to 25 stories, 8000 people jammed on less than 100 acres. Think 25 years from now , I don't imagine these units are being built to Clayton aesthetics, which have aged gracefully. I oppose the plan the City P & Z commission unanimously approved recently. Please revisit it at Council level - very shocked it had absolutely no opposition when passed.

- **Pam Hopmann**

Jul 14, 2023

Unfortunately, this development with this great of occupancy will forever change the most enjoyable areas.

Having spent a great deal of time in the mall this last year, and realized there is no indoor community space like other cities ie. Ballwin Point and most other municipalities.

Possibly demand for a community center and less housing would be a good compromise.

I want a more balanced plan.

- **Maria G Cavallini**

Jul 12, 2023

There's got to be a better design.

2880 apartments means at least 2880 more cars in an already congested area.

- **Nordeka English**

Jul 12, 2023

The city gave away the store with this enormous TIF that benefits no one but the developer.

- **DAVID S PAUL**

Jul 12, 2023

To crowded already.

- **Edward Hamm**

Jul 12, 2023

Too many apartments in Chesterfield already.

- **Barb Phillips**

Jul 12, 2023

NO MORE APARTMENTS IN CHESTERFIELD!

- **John Reidy**

Jul 12, 2023

Absolutely not! We cannot absorb this kind of influx of population, and I would have concerns of it converting sometime to low income housing affecting our property values.

- **Shirley Gorman**

Jul 12, 2023

The Chesterfield Parkway looks terrible. They took all this beautiful land and it's so over crowded and unattractive. The apartments are boxes, and very unattractive.

- **Srini Syamala**

Jul 12, 2023

Revisit the plan

- **Anonymous**

Jul 12, 2023

NO MORE APARTMENTS!! We have way too many already and our schools suffer from a very transient population. We definitely do NOT need a high rise in Chesterfield either. We have

been excited for what could be an amazing development in the mall property but this is going in the wrong direction.

- **Christine Herries**

Jul 12, 2023

No!!!!

- **Michele Drevenak**

Jul 12, 2023

Too many residential apartments being approved. Too dense!

- **Peyton foreman**

Jul 12, 2023

I feel like it should be kept as a shopping center, but maybe just redesigned.

Let's keep chesterfield beautiful and family friendly

- **Ryan Louthan**

Jul 11, 2023

There are plenty of apartment style residences in Chesterfield already. Not sure why anyone would think we need thousands more.

- **James Bickhaus**

Jul 11, 2023

This is too much of everything from a person density and infrastructure standpoint.

- **Anonymous**

Jul 11, 2023

I chose chesterfield specifically for its residency the way it is. Adding nearly 3,000 units on top of what's already being built in wildhorse will fundamentally change the city as it is. We need to preserve

- **Laura Patton**

Jul 11, 2023

Do not pass this request!

- **Suzan Miriani**

Jul 11, 2023

I do not support this at all!

This is way too crowded for that space and location.

- **Ben Brasseur**

Jul 11, 2023

I am a hard no

- **Anonymous**

Jul 11, 2023

I moved to Chesterfield because it wasn't over built and had plenty of green space 4 years ago.

There's already enough traffic thanks to all of the redevelopment around Chesterfield

Parkway/Wildhorse. As a homeowner, please don't make it any worse than it already is.

- **Sandra Oberkirsch Keen**

Jul 11, 2023

Just No on this. Will NOT be good for City of Chesterfield.

- **Judith R O'Jile**

Jul 11, 2023

I do not approve.

- **Dala Freesmeier**

Jul 11, 2023

I do not approve of the apartment development near my home. This would not be good for our community.

- **Robert Herries**

Jul 11, 2023

I urge the City Council to reject this rezoning request. The council should work with the developer to find a more suitable use of this space.

- **Timothy Kummer**

Jul 11, 2023

This is Bad for Chesterfield

Jul 10, 2023

I fully support this petition and the crucial need to address the stated concerns.

- **Mark S Dion**

Jul 10, 2023

The infrastructure does not support the increased population.

- **JAVIER SALGADO**

Jul 10, 2023

10,000 additional renters in Chesterfield ? Give me a break, no way !!

I oppose the Chesterfield Mall Rezoning Application !!

- **Cindy meyer**

Jul 10, 2023

Too many people to cram in! Clarkson rd is already a mess during rush hour. Please do not build so many apartments. Leave green space!

- [Dave Wilson](#)

Jul 10, 2023

"Hey, Chesterfield City officials, could you be any more out of touch with your constituents? Do you really think we all chose to live in Chesterfield because we hoped one day you'd jam 10,000 renters into the mall area?" This makes no sense. We may need more transparency as to why the City supports this proposal. They should be fighting it tooth and nail.

- **Molly Quirin**

Jul 10, 2023

I oppose this rezoning plan for a multitude of reasons.

- **Charles Easterday**

Jul 10, 2023

Too many apartments now traffic is terrible

- **Helen Crist**

Jul 10, 2023

We are already overrun with apartments in this area. Our schools will become more overcrowded with this proposal, and the quality of education will go down due to overcrowding. I do not support this proposal at all!

• **Mahesh Shankar Manakkal**

Jul 10, 2023

I oppose the addition of non-owner occupation living spaces in Chesterfield

• **Erin Faverey**

Jul 10, 2023

Too much congestion on already packed roads!

• **JOHN AND RENEE JAVOREK**

Jul 10, 2023

We are against this zoning change. The balance between family residential homes and enormous apartment complexes is far too skewed already. We don't want or need more apartment complexes in Chesterfield.

• **Geanie Burch**

Jul 10, 2023

What's wrong with the City of Chesterfield? I thought they were all for beautification of our city, but building upon building we will become like a bunch of ants swarming this area. There is more than enough housing already. I do not approve of the Chesterfield Mall rezoning request!

• **Sung Joo**

Jul 10, 2023

Please do not pass the project

• **Dagmar Z**

Jul 10, 2023

How many more apartments will Chesterfield support?? ENOUGH!

East of Olive is totally saturated already!!

• **Dave S**

Jul 09, 2023

NO High Density Housing!!!

• **Joel Sher**

Jul 09, 2023

I don't think Chesterfield needs more high density housing. It will make the area far less appealing and have a negative impact on housing values.

• **Jo Ann Miley**

Jul 09, 2023

I vote No to new development of apartments at current Chesterfield Mall location. There are plenty of new apartments in the area.

- **Donna Bosenbecker**

Jul 09, 2023

Too many apartments. Could lower property value. Traffic!

- **Anthony Tharenos**

Jul 09, 2023

When will they consider the serious concerns of the influx of massive over population of a stable community. This will directly affect all our of existing city services and change the nature of our community.

- **Anonymous**

Jul 09, 2023

Too much residential and traffic!

- **Anonymous**

Jul 09, 2023

DO Not pass the Chesterfield Mall rezoning petition!! The entire area around the Mall has become overly developed. Too much congestion and too high density of population and businesses.

- **Patricia Tocco**

Jul 08, 2023

The city council must address these issues and take the taxpayers' side before the rezoning is approved.

- **Robert and Janet LeGrand**

Jul 08, 2023

It was stated at the last planning meeting that this project cannot be successful without this apartment complex. If that's the case, why is the shopping center in the valley thriving without an apartment complex?

Also, 2880 more apartments puts over 5000+ more cars on our roads, which are already busy. A comment by a member of the planning committee, stated that yes, it would add more traffic "GET USE TO IT"

The city council needs to take a hard look at what's best for the citizens of Chesterfield.

- **Anonymous**

Jul 08, 2023

Already too dense with apartments, townhomes and condos!

- **Nancy Evers**

Jul 08, 2023

It's looking like a housing project and that it NOT what we agreed to....

- **Jill Henderson**

Jul 08, 2023

There are already way too many apartments going up. It overwhelms the school district, fire district and police department. Traffic is an issue and apartments make the area transient. Single family homes is a much better choice.

- **Tina Accorinti**

Jul 08, 2023

I do not support this ill-defined development
