

## **TOWN AND COUNTRY CANCELS FIRE AND ICE AND FIREWORKS May 6, 2020**

### **TOWN AND COUNTRY IS HIDING THE FACT THE FIRE AND ICE JUNE 20**

**FIREWORKS SHOW IS CANCELLED:** On May 6 my rather small copy of West Magazine arrived and had Town and Country Parks Director Anne Nixon quoted that as of May 1 the Fire and Ice event planned for June 29 at the Town Square is cancelled.

If you go to the Town and Country website on May 6 there is a link for "cancellations." I clicked on it at 3pm on May 6 and there was nothing about Fire and Ice Fireworks being cancelled.

The website was updated at 3:15 with a message from Mayor Jon Dalton that did not mention that Fire and Ice and fireworks had been cancelled.

I then went to the calendar on the city's website and scrolled ahead to June and clicked on June 20. Here is how the city is making announcements:

**Fire & Ice-Cancelled, Fireworks Tentatively Re-scheduled to Fall Festival, November 7**

While Anne Nixon is quoted as saying the Fire & Ice event and fireworks was cancelled on May 1, as of the end of the day on May 5 no elected official or the public was notified of the cancellation other than by the above 10 words and West Magazine.
